Illustration Thomas Pruen,1820 **The New Sirian Revelations** Patricia Cori,2017-12-05 In July 1996 during an extraordinary out of body journey through the Milky Way and other galaxies Patricia Cori was reconnected and attuned to a group of interdimensional light beings that she and her many readers came to know through the first Sirian Revelations transmissions as The Sirian High Council During her remarkable mission as their Scribe she has shared the insights of six dimensional Sirian Light Emissaries through the books and teachings that have transformed readers over the past decades Now twenty years from the date of the first transmission Cori shares new revelations that affirm the veracity of past prophecies and transmit new visions for the human race as we ascend through the outer reaches of the fourth dimension into new levels of conscious awareness and parallel realities as we prepare for our imminent emergence Called a real life Indiana Jones by fans and readers around the world Cori is one of the most well known and established authorities on multidimensional realities that challenge the status quo Her messages from distant realms empower readers to look at the dark side to understand it but to focus on the light for all humankind and the earth In this new book the Sirians once again hold us to our responsibility as guardians of this planet with sound direction and advice for how to get through these shifting sands of our transition Their discussions delve into many of the most crucial issues of our time including the merging of human mind and artificial intelligence exoplanetary migration from the earth and what that means to planets that will receive us coming clean about cloning the care and feeding of the human being and the slipping of time as we know it As the struggle between darkness and light is being fought at every level Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into the light of far more illuminated states of being *Legends and Myths of North Carolina's Roanoke-Chowan Area* Frank Roy Johnson,1966 *Charleston* Eileen Robinson Smith,2009-04-07 Offers information and advice on where to stay where to eat and what to see in historic Charleston South Carolina **A collection of hymns ... designed chiefly for the use of the congregations in union with the Brethren's Church** Moravians,1754 **A Collection of Hymns of the Children of God in All Ages** Moravian Church,1754
