

THE HARDWAY
DIAMONDS MYSTERY

The Hardway Diamonds Mystery

Sabine Zange

The Hardway Diamonds Mystery:

The Hardway Diamonds Mystery Miles Burton, 2025-01-21T00:00:00Z First published by the Mystery League Inc New York 1930 On a night of fog Pussy Herridge stole the Hardway diamonds and on the same night they were re stolen It was a grim trail that Dick Penhampton followed which led him to discover one of them on a dead man in the marshes Who was the Funny Toff the terror alike of police and criminals the unknown man with such amazing resource and ingenuity a devilish perverted sense of humour and a lunatic laugh that few heard twice Death was the answer meted out to all who tried to solve the riddle to all except Penhampton Why was he spared so often by his unknown adversary in that ghastly game of cat and mouse played out in the dark Was Inspector Pollard entirely deluded when he turned his attention to trailing the trailer Or was Alison Weatherleigh's faith in her lover justified In *The Hardway Diamonds Mystery* we get a story packed with legitimate thrills quick moving and logical which proves yet again that ultimately the criminal cannot win against the law

The Hardway Diamonds Mystery Miles Burton, 1933 *Masters of the "Humdrum" Mystery* Curtis Evans, 2014-01-10 In 1972 in an attempt to elevate the stature of the crime novel influential crime writer and critic Julian Symons cast numerous Golden Age detective fiction writers into literary perdition as Humdrums condemning their focus on puzzle plots over stylish writing and explorations of character setting and theme This volume explores the works of three prominent British Humdrums Cecil John Charles Street Freeman Wills Crofts and Alfred Walter Stewart revealing their work to be more complex as puzzles and as social documents than Symons allowed By championing the intrinsic merit of these mystery writers the study demonstrates that reintegrating the Humdrums into mystery genre studies provides a fuller understanding of the Golden Age of detective fiction and its aftermath *Twentieth Century Crime & Mystery Writers* NA NA, 2015-12-25

The Encyclopedia of Murder and Mystery B. Murphy, 1999-12-09 Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance *The Story of Classic Crime in 100 Books* Martin Edwards, 2017-08-01 This is an exemplary reference book sure to lead readers to gems of mystery and detective fiction Publishers Weekly starred review This book tells the story of crime fiction published during the first half of the twentieth century The diversity of this much loved genre is breathtaking and so much greater than many critics have suggested To illustrate this the leading expert on classic crime discusses one hundred books ranging from *The Hound of the Baskervilles* to *Strangers on a Train* which highlight the entertaining plots the literary achievements and the social significance of vintage crime fiction This book serves as a companion to the acclaimed British Library Crime Classics series but it tells a very diverse story It presents the development of crime fiction from Sherlock Holmes to the end of the golden age in an accessible informative and engaging style Readers who enjoy classic crime will make fascinating discoveries and learn about forgotten

gems as well as bestselling authors Even the most widely read connoisseurs will find books and trivia with which they are unfamiliar as well as unexpected choices to debate Classic crime is a richly varied and deeply pleasurable genre that is enjoying a world wide renaissance as dozens of neglected novels and stories are resurrected for modern readers to enjoy The overriding aim of this book is to provide a launch point that enables readers to embark on their own voyages of discovery

Catalog of Copyright Entries. New Series Library of Congress. Copyright Office,1932 **The Secret of High Eldersham** Miles Burton,2025-09-03 In a lonely East Anglian parish the village pub becomes a crime scene after closing time The victim is a newcomer with few friends and fewer allies among tight knit locals who distrust outsiders A Yard inspector is sent to sort fact from old stories only to find doors closed tales practiced and a run of bad luck that seems to follow anyone not born there When odd traces suggest a carefully planned entry and exit the case turns from a simple stabbing to a problem of timing access and motive Clues point to river landings night roads and gatherings best not seen A civilian expert is asked to follow threads the police cannot pull testing stories customs and loyalties As signs mount garden paths trodden at strange hours tools out of place a blade no kitchen should hold the pattern hints at a hidden circle linking farm church and manor Rival answers emerge smuggling routes masked by legend or older practices revived under cover of darkness Before the showdown they must decide how much is superstition and how much is design and whether the truth lies in modern vice or in rites kept alive by silence In a place where the river narrows and gossip travels faster than law exposing the bond behind the crime may prove more dangerous than the crime itself *The English Catalogue of Books Published from January, 1835, to January, 1863* ,1864 **Twentieth-century Crime and Mystery Writers** Lesley Henderson,1991 Cited in Sheehy and BCL3 The foremost reference in the field completely revised and updated and now covering about 600 authors mainly English language writers whose work appeared during or since the time of Conan Doyle The entry for each writer consists of a biography a bibliography and a signed critical essay Living authors were invited to add a comment on their work many of them accepted and their remarks are both entertaining and enlightening Annotation copyrighted by Book News Inc Portland OR

Whispering the Strategies of Language: An Mental Quest through **The Hardway Diamonds Mystery**

In a digitally-driven earth where monitors reign great and immediate interaction drowns out the subtleties of language, the profound techniques and mental nuances hidden within phrases usually go unheard. Yet, set within the pages of **The Hardway Diamonds Mystery** a captivating fictional treasure blinking with organic thoughts, lies an exceptional journey waiting to be undertaken.
