The Hebrew Bible In Its Social World And In Ours Dissertation Series:

The Hebrew Bible in Its Social World and in Ours Norman Karol Gottwald, 1993 Text in Context Andrew David Hastings Mayes, 2000-09-07 The scholarly study of the Old Testament is now marked by a rich diversity of approaches and concerns In the last two decades an interest in the text and the implications for its interpretation is no longer the preserve of a single scholarly community while the reconstruction of the history of the people from whom it derived has been transformed by new methods This new book published under the auspices of the Society for Old Testament Study reflects these new approaches and developments and has a particular concentration on literary and historical study Thus it not only clearly recognizes the diversity now inherent in Old Testament study but also welcomes the integration into its field of the wide range of approaches available in current literary and historical investigation The study of the biblical text and how it is received and interpreted by its various readerships has a certain logical priority over the study of its historical background and authorship Yet an ongoing investigation of issues relating to the latter cannot await definitive conclusions on the former So essays on the text and its reception discuss primary issues which arise in Old Testament study while those on background and authorship reflect the continued vitality of and the fresh perspective possible in more traditional scholarly concerns A Liturgy of Grief Leslie C. Allen, 2011-09-01 In Lamentations we read of the unbearable grief experienced by a group of believers Leslie Allen suggests the book can be read as the script of a liturgy performed to help the people of God come to terms with the fall of Jerusalem and the national catastrophe it entailed It reveals God's sometimes hidden support for those who grieve and for their caregivers In this unique commentary on Lamentations respected Old Testament scholar and volunteer hospital chaplain Leslie Allen appropriates this oft neglected book of the Bible to deal with a universal issue Incorporating stories of pastoral encounters with hospital patients Allen integrates Scripture and pastoral care to present a biblical model for helping those coping with grief The book includes a foreword by Nicholas Wolterstorff author of *Lament for a Son* *Social Justice and the Hebrew Bible, Volume Three* Norman K.
