Robert Louis Stevenson and the Art of Collaboration

Murfin Audrey Murfin, 2019-08-05 Explores Robert Louis Stevenson's collaborative process. Contains new readings of thirteen works by Robert Louis Stevenson including several rarely discussed. Sheds light on connections between authorship, celebrity, the literary marketplace and the creative process. Supported by extensive manuscript research. This book investigates Stevenson's literary collaborations with family and friends as he travelled Scotland, America and the Pacific. With critical readings of both major and minor Stevenson texts supported and contextualised by unpublished manuscripts and letters by both Stevenson and those he wrote with, this book argues that Stevenson's writings are both a product of and a meditation on collaborative writing. Stevenson's self-reflective body of work reimagines late Victorian authorship by examining the ways that authors choose material, negotiate the marketplace and ultimately maintain power over their own words or let that power go.

The Selected Letters of W.E. Henley Damian Atkinson, 2016-12-05 The text of the book consists of some 150 letters out of a corpus of 2,500 written by the late nineteenth-century poet, critic, editor and journalist W. E. Henley to various figures of the period, e.g. R. L. Stevenson, H. G. Wells, J. M. Barrie, William Archer, Rodin, Wilde, Kipling, Arthur Morrison, Alice Meynell and Edmund Gosse. Letters are also included to other figures within Henley's immediate circle: his wife Anna, his financial backer Fitzroy Bell, Charles Baxter, the arbitrator in the quarrel between Henley and Stevenson, and his Edinburgh art collector friend Hamilton Bruce. Each letter is fully annotated. An introduction places Henley within the period and provides a biographical account of his life and literary work which is reflected in his letters. Of particular importance is the role of Henley as editor of *London*, *The Magazine of Art*, *The Scots Observer* and later *The National Observer* and *The New Review*.

Writers, Readers, and Reputations Philip Waller, 2008 Philip Waller explores the literary world in which the modern best-seller first emerged, with writers promoted as stars and celebrities advertising both products and themselves.

He was an ambitious but drifting writer from a prominent Scottish family. She was a tough Nevada silver miner's wife with children when they met. Who could have predicted that Fanny Van de Grift and Robert Louis Stevenson would go on to create one of history's great literary marriages? From their first encounter in France in 1876, Fanny and Louis's partnership transcended societal expectations to become a literary union that was progressive, eccentric and tempestuous but always animated by a profound mutual respect. Seeking creative freedom, inspiration and better health for Louis, who battled chronic illness, they embarked on a whirlwind journey.

around the world from the bohemian enclaves of Europe to the shores of Samoa where they lived and joined the native islanders fight for independence from imperialist powers Amid the currents of their stormy yet deeply loving relationship Fanny wrote colorful accounts of her life contributed to Louis s work and kept him alive to pen classic novels such as Treasure Island Kidnapped and The Strange Case of Dr Jekyll and Mr Hyde that would go on to resonate with generations of readers A portrait of two extraordinary people and a testament to the power of love to foster the human spirit A Wilder Shore unfolds with all the richness and complexity of a timeless epic capturing the resilience courage and devotion that sparked some of our most celebrated and enduring literary masterpieces **The Bookman** ,1911 *Storyteller* Leo
