The Other Side Of The Story Structures And Strategies Of Contemporary Feminist Narrative:

The Other Side of the Story Molly Hite, 1989 Annotation A study of the radical innovations in narrative form attempted by a number of influential contemporary women fiction writers notably Jean Rhys Doris Lessing Alice Walker and Margaret Atwood First published by Cornell U Press in 1989 Annotation copyrighted by Book News Inc Portland OR *The Other Side of the Story* Molly Hite, 2018-03-15 No detailed description available for The Other Side of the Story **The Cambridge Companion to Narrative Theory** Matthew Garrett, 2018-11-01 Narrative theory is essential to everything from history to lyric poetry from novels to the latest Hollywood blockbuster Narrative theory explores how stories work and how we make them work This Companion is both an introduction and a contribution to the field It presents narrative theory as an approach to understanding all kinds of cultural production from literary texts to historiography from film and videogames to philosophical discourse It takes the long historical view outlines essential concepts and reflects on the way narrative forms connect with and rework social forms The volume analyzes central premises identifies narrative theory's feminist foundations and elaborates its significance to queer theory and issues of race The specially commissioned essays are exciting to read uniting accessibility and rigor traditional concerns with a renovated sense of the field as a whole and analytical clarity with stylistic dash Topical and substantial The Cambridge Companion to Narrative Theory is an engaging resource on a key contemporary concept **Alice Walker** Sterling Professor of Humanities Harold Bloom, 2009 Presents a selection of criticism devoted to the fiction of African American author Alice Walker *Ananda Devi* Ritu Tyagi, 2013-10-10 Ananda Devi Feminism Narration and Polyphony is the first full length monograph devoted to Ananda Devi a dynamic contemporary Francophone writer Recipient of Prix Louis Guilloux and Prix T l vision Suisse Romande du Roman she is described by many as a prototype of a new generation of Mauritian writers This book analyses Devi's unconventional polyphonic narratives particularly her strategies that allow marginalized narrators to disrupt androcentric and dominant structures of narrative construction thereby creating hybrid magical spaces for feminine expression Drawing on the notion of feminist narratology that investigates the relation between gender and narrative this book focuses on a wide range of Western and non Western narrative strategies such as plot and plotlessness narrative metalepsis pluritemporality multisubjectivity myths folktales and magic It also demonstrates how her texts become the point of convergence of the West and the non West the feminine and the androcentric the real and the extra real as muted discourses resurface and traditional distinctions between categories are blurred in favor of alternate and new possibilities As this book is interdisciplinary in its approach it will appeal to a broad range of audience from those interested in Contemporary Francophone and Indian Ocean Literature to scholars in Women's Writing Post Colonial Studies and Narratology Essays on Life Writing Marlene Kadar, 1992-01-01 Marlene Kadar has brought together an interdisciplinary and comparative collection of critical and theoretical essays by diverse Canadian scholars **Domestic Allegories of Political Desire** Claudia Tate, 1993-01-07 Why did African American women novelists

use idealized stories of bourgeois courtship and marriage to mount arguments on social reform during the last decade of the nineteenth century during a time when resurgent racism conditioned the lives of all black Americans Such stories now seem like apolitical fantasies to contemporary readers This is the question at the center of Tate s examination of the novels of Pauline Hopkins Emma Kelley Amelia Johnson Katherine Tillman and Frances Harper *Domestic Allegories of Political Desire* is more than a literary study it is also a social and intellectual history a cultural critique of a period that historian Rayford W Logan called the Dark Ages of recent American history Against a rich contextual framework extending from abolitionist protest to the Black Aesthetic Tate argues that the idealized marriage plot in these novels does not merely depict the heroine s happiness and economic prosperity More importantly that plot encodes a resonant cultural narrative a domestic allegory about the political ambitions of an emancipated people Once this domestic allegory of political desire is unmasked in these novels it can be seen as a significant discourse of the post Reconstruction era for representing African Americans collective dreams about freedom and for reconstructing those contested dreams into consummations of civil liberty

Feminism and the Postmodern Impulse Magali Cornier Michael,1996-07-03 Michael analyzes the intersections between feminist politics and postmodern aesthetics as demonstrated in recent Anglo American fiction While much has been written on various aspects of postmodernism and postmodern fiction and of feminism and feminist fiction very little attention has been given to the postmodern aesthetic strategies that surface in post World War II feminist fiction *Feminism and the Postmodern Impulse* examines ways in which many widely read and acclaimed novels with feminist impulses engage and transform subversive aesthetic strategies usually associated with postmodern fiction to strengthen their feminist political edge The author discusses many examples of recent feminist postmodern fiction and explores in greater depth Doris Lessing s *The Golden Notebook* Marge Piercy s *Woman on the Edge of Time* Margaret Atwood s *The Handmaid s Tale* and Angela Carter s *Nights at the Circus* She shows that feminist postmodern fiction s emphasis on the material historical situation the link to activist politics and commitment to enacting concrete changes in the world and thus the need to reach a large reading public often results in a blending and transformation of postmodern and realist aesthetic forms Moreover feminist fiction uses deconstructive strategies not only to disrupt the status quo but also to create a space for reconstruction particularly of recreating new forms of female subjectivities and feminist aesthetics

Jean Rhys Erica Johnson,2015-06-21 Presents new critical perspectives on Jean Rhys in relation to modernism postcolonialism and theories of affect Jean Rhys 1890 1979 is the author of five novels and over seventy short stories She has played a major figure in debates attempting to establish the parameters of postcolonial and particularly Caribbean studies and although she has long been seen as a modernist writer she has also been marginalized as one who is not quite in yet not quite out either The 10 newly commissioned essays and introduction collected in this volume demonstrate Jean Rhyss centrality to modernism and to postcolonial literature alike by addressing her stories and novels from the 1920s and 1930s including *Voyage in the Dark* *Quartet* *After Leaving Mr*

Mackenzie and Good Morning Midnight as well as her later bestseller *Wide Sargasso Sea* 1966 The volume establishes Rhys as a major author with relevance to a number of different critical discourses and includes a path breaking section on affect theory that shows how contemporary interest in Rhys correlates with the recent affective turn in the social sciences and humanities As this collection shows strangely haunting and deeply unsettling Rhys portraits of dispossessed women living in the early and late twentieth century continue to trouble easy conceptualisations and critical categories
