woman who has made it clear she can't stand me even though we used to be friends. Despite the tense atmosphere and how she keeps me at arms length I show up every day ready to work. Quickly I learn a valuable lesson while it's difficult being around someone I don't like it's far more difficult being around someone I find myself intensely attracted to but cannot have. Because Jo the woman who's driving me crazy with her quiet strength and beautiful face is in a relationship with a man who I'd like to point out is not out there getting his hands dirty on his girlfriend's ranch. Possession is 9/10th's of the law and as far as I'm concerned I'm currently in possession of Jo's time and attention. One day the unexpected happens. Her blue eyes pierce my callused exterior seeing deep down into a wound I work hard to hide. It's in this moment and so many that follow that I become certain there's no hope left for me. I'm in love with Jo and I'm desperate to show her I'm someone worthy of her love in return. Lucky for me nobody rises to the occasion quite like an outlaw.
