The Oxford Dictionary Of American Usage And Style:

The Oxford Dictionary of American Usage and Style Bryan A. Garner, 2000 Covers basic grammar punctuation spelling and idiomatic phrases of American English **The Oxford dictionary of American usage and style** Bryan A. Garner, 2002 Abridgment of Dictionary of modern American usage published in 1998 Preface The Oxford Dictionary of American Usage and Style Bryan A. Garner, 2000 Abridgment of Dictionary of modern American usage published in 1998 Pref **Garner's Modern American Usage** Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved **The Columbia Guide to Standard American English** Kenneth G. Wilson, 1996-08-30 In the most reliable and readable guide to effective writing for the Americans of today Wilson answers questions of meaning grammar pronunciation punctuation and spelling in thousands of clear concise entries His guide is unique in presenting a systematic comprehensive view of language as determined by context Wilson provides a simple chart of contexts from oratorical speech to intimate from formal writing to informal and explains in which contexts a particular usage is appropriate and in which it is not The Columbia Guide to Standard American English provides the answers to questions about American English the way no other guide can with an A Z format for quick reference over five thousand entries more than any other usage book sensible and useful advice based on the most current linguistic research a convenient chart of levels of speech and writing geared to context both descriptive and prescriptive entries for guidance guidelines for nonsexist usage individual entries for all language terms A vibrant description of how our language is being spoken and written at the end of the twentieth century and how we ourselves can use it most effectively The Columbia Guide to Standard American English is the ideal handbook to language etiquette friendly sensible and reliable
