Hedren,2025-11-04 The dramatic story of America's greatest Indian war told from perspective of the Lakotas and the Northern Cheyennes as they fight for their way of life on the buffalo prairie In this deeply affecting account of America's greatest Indian war readers are quickly immersed in the world of Lakotas and Northern Cheyennes and their struggle in the 1870s to retain their lives on the buffalo prairie Those impassioned Northern Indians faced a succession of white invaders railroaders borderland surveyors prospectors and ultimately the United States Army In the best of days they turned back George Crook at the Rosebud and wiped out George Armstrong Custer at the Little Big Horn But a dozen other clashes followed and in the end these tradition minded people could not endure the army's endless hounding Some fled to Canada to a luring if momentary exile but in the end one and all faced starvation submission and for some death Rallying the defense of this lifeway of old was Sitting Bull legendary Hunkpapa Lakota spiritualist He was supported throughout by Crazy Horse Spotted Eagle Big Road Little Wolf and a host of other kindred traditional chiefs and headmen who in turn rallied thousands of like minded men women and children And yet but for momentary glory against Crook and Custer this was a war that could not be won Award winning author Paul L Hedren was ten years in crafting this great American epic Utilizing an array of Lakota and Cheyenne accounts pictographic renderings and original interviews this is the story of a people intent only on adhering to a traditional life on the buffalo prairie The narrative is broad and inclusive and a welcome addition to the canon of American Indian wars history **Rosebud, June 17, 1876** Paul L. Hedren,2019-04-11 The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West The monumental clash on June 17 1876 along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern

Cheyennes under Sitting Bull and Crazy Horse It set the stage for the battle that occurred eight days later when just twenty five miles away George Armstrong Custer blundered into the very same village that had outmatched Crook Historian Paul L Hedren presents the definitive account of this critical battle from its antecedents in the Sioux campaign to its historic consequences Rosebud June 17 1876 explores in unprecedented detail the events of the spring and early summer of 1876 Drawing on an extensive array of sources including government reports diaries reminiscences and a previously untapped trove of newspaper stories the book traces the movements of both Indian forces and U S troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year Both Indian and army paths led to Rosebud Creek where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field Describing the battle from multiple viewpoints Hedren narrates the action moment by moment capturing the ebb and flow of the fighting Throughout he weighs the decisions and events that contributed to Crook s tactical victory and to his fateful decision thereafter not to pursue his adversary The result is a uniquely comprehensive view of an engagement that made history and then changed its course Rosebud was at once a battle won and a battle lost With informed attention to the subtleties and significance of both outcomes as well as to the fears and motivations on all sides Hedren has given new meaning to this consequential fight and new insight into its place in the larger story of the Great Sioux War
