Anthology of Western Reserve Literature David Rollin Anderson, Gladys Haddad, 1992 The story of the history and culture of a people is often told through regional literature Anthology of Western Reserve Literature a companion volume to Ohio's Western Reserve presents writings associated with northeast Ohio Funded in part by the National Endowment for the Humanities and the Ohio Historical Society through the American Association of State and Local History this anthology broadly represents the variety of literary genre and ethnic and economic pluralism of the region over a 180 year period

War, Literature, and the Arts, 1992

Earth Works Scott Russell Sanders, 2012-02-01 In the hands of award winning writer Scott Russell Sanders the essay becomes an inquisitive and revelatory form of art In 30 of his finest essays nine never before collected Sanders examines his Midwestern background his father's drinking his opposition to war his literary inheritance and his feeling for wildness He also tackles such vital issues as the disruption of Earth's climate the impact of technology the mystique of money the ideology of consumerism and the meaning of sustainability Throughout he asks perennial questions What is a good life How do family and culture shape a person's character How should we treat one another and the Earth What is our role in the cosmos Readers and writers alike will find wisdom and inspiration in Sanders's luminous and thought provoking prose

Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest

One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works *Learning to Glow* John Bradley,2000 Provides personal accounts of people who were raised during the Cold War and of those who were directly in contact with nuclear weapons during World War II the Korean War and the Persian Gulf War focusing on the health and environmental hazards of nuclear weapons **The Story Within** Laura Oliver, M.F.A.,2011-11-01 Laura Oliver has been teaching aspiring writers how to plumb emotional contradictions for insight for more than a decade in workshops and university classes Now she has written the book her students have been asking her for a book that aspiring writers of every genre can use to guide coach and encourage them on their journey The Story Within employs the compelling art of memoir to illuminate craft and touches on nuanced subjects only a teacher who is herself actively writing knows to address Each chapter offers excerpts from Laura s own stories as well as those of students and published authors and then provides fresh advice and clear instruction on the subject of writing **Eco-man** Mark Christopher Allister,2004 Many canonical literary works look to the wild as the site for establishing a man s selfhood But nature is just as often subjected to his most violent displays of mastery This tension lies at the heart of Eco Man which brings together two rapidly growing fields men s studies and ecocriticism **Encyclopedia of the Essay** Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies
