Lectures from Jack Miller C. John Miller,2023-08-04 In these lectures presented at Westminster Theological Seminary Jack Miller integrates theology literature and modern culture as he discusses five of the most important European modern novelists of our time Camus Golding Greene Kafka and Tolstoy Best known as a church planter and mission founder here he wears the scholar s robe to diagnose the causes of modern aches and pains and apply the healing power of the gospel At one time a Marxist Jack treats the novelists and their revolutionary friends with sympathy and respect Along the way the reader learns the Reformation roots of the novel as a genre the basics of literary analysis and how to dialogue with a Marxist Jack provides a Christian perspective on many of our current issues the lectures on Camus and Tolstoy and the lecture on the Theology of Revolution lay bare the skeleton of modern revolutionary thought and provide a gospel response filled with grace and courage

Moral Disquiet and Human Life Monique Canto-Sperber,2008 Attempting to steer moral philosophy away from abstract theorizing this title argues that moral philosophy should be a practical rational and argumentative engagement with reality and that moral reflection should have direct effects on our lives and the world in which we live [The Works of](#)

The Routledge Companion to Death and Literature W. Michelle Wang,Daniel

Jernigan,Neil Murphy,2020-12-07 The Routledge Companion to Death and Literature seeks to understand the ways in which literature has engaged deeply with the ever evolving relationship humanity has with its ultimate demise It is the most comprehensive collection in this growing field of study and includes essays by Brian McHale Catherine Belling Ronald Schleifer Helen Swift and Ira Nadel as well as the work of a generation of younger scholars from around the globe who bring valuable transnational insights Encompassing a diverse range of mediums and genres including biography and autobiography documentary drama elegy film the novel and graphic novel opera picturebooks poetry television and more the contributors offer a dynamic mix of approaches that range from expansive perspectives on particular periods and genres to extended analyses of select case studies Essays are included from every major Western period including Classical Middle Ages Renaissance and so on right up to the contemporary This collection provides a telling demonstration of the myriad ways that humanity has learned to live with the inevitability of death where live with itself might mean any number of things from consoling to memorializing to rationalizing to fending off to evading and perhaps most compellingly of all to escaping Engagingly written and drawing on examples from around the world this volume is indispensable to both students and scholars working in the fields of medical humanities thanatography death studies life writing Victorian studies modernist studies narrative contemporary fiction popular culture and more

The Liberation of Life through Death Jason

Hoult,2022-07-07 This book undertakes to show how the exercise of reading Tolstoy s *The Death of Ivan Ilyich* involves

articulating for ourselves as readers what it means to liberate life through death What Tolstoy s short story shows us the author argues is that life can be truly liberated through death only when we see that death is neither a supernatural event nor a natural end but involves a work of love In Part 1 of his study the author addresses the common assumptions that give rise to the idea that religious and secular views of life and death are opposed in modernity He also examines the history of values that Tolstoy s story embodies In Part 2 he analyses the life and death of Ivan Ilyich in order to show that the values that are embedded in Tolstoy s story are at once religious and secular

The Power of Paradox Nina Rosoff,2011 Leaders e tm actions can have consequences opposite to those they intend These unintentional results are difficult to detect understand and change Consequently leaders e tm actions tend to persist resulting in further unexpected outcomes This can create a vicious cycle of leadership failure With all their best efforts strategic financial scenario human capital and operational plans in place they fail Unaware they self sabotage and sabotage others again the result is unintended consequences no matter how hard they try This book gives a glimpse into why and how this happens and what to do about it Understanding the Power of Paradox can empower leaders in uncertain times Paradox reveals uncertainty giving leaders room to breathe and time to think better able to deal with ambiguity and manage complexity no longer stymied Learning to think differently and behave with capabilities you already have more resilient adaptive and flexible leaders execute conscious actions effectively inspire and empower others creating the consequences they intend successful Protean Leaders
