Stories for Kids, Children and Parents Ann Sepulveda,2019-08-23 Bedtime Stories for kids children and parents is a storybook that tries to help parents when their relationship with their children becomes more intimate bedtime Today's hectic life leads some to neglect this fundamental and vital aspect of education and growth Children even very young ones are often left in front of the television and only after they have fallen asleep taken to bed But it is curiosity that stimulates intelligence Television and radio and video games have a passive function only They cannot answer your questions Children need to ask questions to ask the meaning of words they do not know and to elaborate on a story together with an adult who calms them and makes them reflect on life Little ones fall asleep only thanks to the relaxing sound of a familiar voice reading without being able to follow and comprehend the story in its entirety Precisely for this reason bedtime stories become an appreciated moment for them that they seek every evening You will realize that they will often want to hear the same fairy tale in a habitual way always catching different shades of meaning This book is structured in two levels so it can also meet the needs of older children To activate their imagination in the prefaces a story is told about fairy tale characters reading the stories contained in this book The advice that I would give to the parents of younger children is to skip the prefaces and directly read the fairy tales In the book sometimes complex and uncommon words are used They serve to foster the acquisition of language exploiting the natural curiosity that children have in the various phases of their growth Unlike we adults in fact they can immediately memorize a word just by hearing and can turn it into active knowledge The various fairy

tales in this book are also represented by images to stimulate attention We have chosen to use them with different forms and expressions to increase children s interest All the stories you will encounter in the book are set in imaginary times and places with the aim of creating the magic that attracts curiosity At the same time they subliminally address the themes and problems of our time Ann Sepulveda annsepulveda69 gmail com *Night Lights* Phyllis Theroux, 10-Minute Bedtime Stories For Kids Collection Ellie Wilkinson,2021-02-04 If Your Child Struggles To Relax Fall Asleep At Night Then These Fun Educational 10 Minute Bedtime Stories Could Be The Solution You Need Welcome to the Bedtime Stories revolution I have made it my mission to create the bedtime stories revolution to help parents and kids enjoy a deeply relaxing daily bedtime story before sleep Why I strongly believe in the power of bedtime stories for several reasons Firstly bedtime stories help children sleep which has become an issue for many children and adults in this tech fueled society So by installing healthy sleep habits in your Child from a young age you are helping them not only get the healing sleep the need now but also developing habits that will last a lifetime Put simply Sleep is essential to your child s development Adequate amounts of sleep leads to improved attention behavior learning memory quality of life and mental health Bedtime stories are about much more than just sleep though They allow you and your child to deeply connect at the end of each day a time your child will cherish and this alone will get them excited for Bedtime And we haven t even mentioned the endless life lessons that can be portrayed through the power of storytelling as well as the numerous cognitive mental emotional benefits regular Bedtime Stories can bring Study after study has shown how bedtime stories help improve children s well being learning potential creativity child parent bonding and can make them far happier than scrolling on their iPad aimlessly while inspiring children to become amazing creators And this particular book contains only short 10 Minute stories which is perfect for Children who struggle to concentrate for long periods and is the PERFECT introduction to reading listening to stories Then after a while when you both feel your Child is ready you can move onto the longer more explorative books in the other stories in this series Also it allows for you and your child to potentially listen or read You get a FREE PDF with each purchase several stories a night if 1 isn t enough So If You Want To Deeply Bond Every Night With Your Child Using The Incredible Power Of Bedtime Stories Then Scroll Up And Click Add To Cart P S We encourage discussing each and every story with your child to add the extra dimension of solidifying the lessons entertainment from each and every story P P S If you enjoy these stories be sure to check out the other books in the series to help spread the Bedtime Stories revolution Enjoy Bedtime Stories For Kids Catherine Marvel,2020-04-28 Are you looking for a children s book that can make Bedtime a wonderful time Are you looking to help your kids get away from technology and go back into a land that is based solely on their imagination These stories are both fun and will teach kids a wonderful lesson as they fall asleep No matter which one you pick though you are sure to have a story that they will treasure The stories here are sure to transform children s bedtime experience while also giving them plenty to think about learn about and grow with This book was written for children of all ages so as long as they still enjoy
