The Pastor In Profile:

The Pastor in Profile Adolph Bedsole, 2020 This is a stimulating and provocative work The writer has dipped his pen in an acid which smarts when applied but its application is always in love and with goodwill Abundant humor and laughter enable the reader to see himself in a mirror The preacher under this treatment will benefit and be enriched morally and spiritually Because the preacher is prone to tell others how to live this book should bring a searchlight upon his own soul Here is a plumbline of judgment and a method of self scrutiny The message is for the still hour and the chambers of imagery wherein the pastor dwells The author s style is lively and colorful It moves swiftly and keeps one interested and intrigued The stab and thrust of truth comes to the conscience Occasionally there are lapses into slang but possibly the author intends this in satirical vein Throughout the provocative element is well expressed and in his own way he reveals much of what he has felt and experienced In self reference he is free from egotism This is good No one will accuse him of being pharisaical or holier than thou Periodically ministers need to read a book of this kind to see himself as others see him Let it be read then with open mind and obedient heart in the sight of the Lord

Profile of a Religious Man Edwin Zackrisson, 2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of

everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with When a Congregation Is Betrayed Candace R. The Pastor Bonus Theo Clemens,Wim Janse,2003-07-30 From earliest times the Western Church has fiercely debated questions about the place of the ministry within the Church and Church government What requirements should be met by candidates for holy orders and what do we expect of priests and ministers personal holiness training for their calling social skills or merely the possession of official ordination The Church has at different times produced very different answers and the 30 scholars from Britain the Netherlands and Belgium whose papers in this volume follow the course of the debate concerning the good shepherd from the early church through to modern times show on the one hand what happens to Christian communities that have lost a clear view of the functions of the ministry and on the other just how
