JUST WHAT I
ASKED FOR.

The Penguin Cricketers Companion

Anthony Bateman, Jeffrey Hill

The Penguin Cricketers Companion:

The Cambridge Companion to Cricket Anthony Bateman, Jeffrey Hill, 2011-03-17 Few other team sports can equal the global reach of cricket Rich in history and tradition it is both quintessentially English and expansively international a game that has evolved and changed dramatically in recent times Demonstrating how the history of cricket and its international popularity is entwined with British imperial expansion this book examines the social and political impact of the game in a variety of cultural sites the West Indies India Pakistan Sri Lanka South Africa Australia and New Zealand An international team of contributors explores the enduring influence of cricket on English identity examines why cricket has seized the imagination of so many literary figures and provides profiles of iconic players including Bradman Lara and Tendulkar Presenting a global panoramic view of cricket s complicated development its unique adaptability and its political and sporting controversies the book provides a rich insight into a unique sporting and cultural heritage [The Penguin Cricketer's Companion](#) Alan Ross, 1979 *European Heroes* Pierre Lanfranchi, Richard Holt, J A Mangan, 2013-09-13 Historians of popular culture have recently been addressing the role of myth and now it is time that social historians of sport also examined it The contributors to this collection of essays explore the symbolic meanings that have been attached to sport in Europe by considering some of the mythic heroes who have dominated the sporting landscapes of their own countries The ambition is to understand what these icons stood for in the eyes of those who watched or read about these vessels into which poured all manner of gender class and patriotic expectations **Cricket, Literature and Culture** Anthony Bateman, 2016-05-13 In his important contribution to the growing field of sports literature Anthony Bateman traces the relationship between literary representations of cricket and Anglo British national identity from 1850 to the mid 1980s Examining newspaper accounts instructional books fiction poetry and the work of editors anthologists and historians Bateman elaborates the ways in which a long tradition of literary discourse produced cricket s cultural status and meaning His critique of writing about cricket leads to the rediscovery of little known texts and the reinterpretation of well known works by authors as diverse as Neville Cardus James Joyce the Great War poets and C L R James Beginning with mid eighteenth century accounts of cricket that provide essential background Bateman examines the literary evolution of cricket writing against the backdrop of key historical moments such as the Great War the 1926 General Strike and the rise of Communism Several case studies show that cricket simultaneously asserted English ideals and created anxiety about imperialism while cricket s distinctively colonial aesthetic is highlighted through Bateman s examination of the discourse surrounding colonial cricket tours and cricketers like Prince Kumar Shri Ranjitsinhji of India and Sir Learie Constantine of Trinidad Featuring an extensive bibliography Bateman s book shows that while the discourse surrounding cricket was key to its status as a symbol of nation and empire the embodied practice of the sport served to destabilise its established cultural meaning in the colonial and postcolonial contexts *Berkmann's Cricketing Miscellany* Marcus Berkmann, 2019-07-11

Marcus Berkman author of the cricket classics *Rain Men* and *Zimmer Men* returns to the great game with this irresistible miscellany of cricketing trivia stories and more fascinating facts than Geoffrey Boycott could shake a stick of rhubarb at Which England captain smoked two million cigarettes in his lifetime Which Australian captain asked what his favourite animal was said Merv Hughes What did Hitler think of cricket Which National Hunt trainer had a dog called Sobers Who was described in his obituary as perhaps the only unequivocally popular man in Yorkshire No other sport is so steeped in oddness and eccentricity There s the only Test player ever to be executed for murder the only first class cricketer to die on the Titanic and the only bestselling author to catch fire while playing at Lord s It was Sir Arthur Conan Doyle The ball hit a box of matches in his pocket All cricket is here including an XI entirely made up of players who share their names with freshwater fish

The Little Wonder Robert Winder, 2013-04-11 John Wisden at his peak known as The Little Wonder was a key member of the England cricket team who in 1859 sailed across the Atlantic on the world s first overseas cricket tour In 1864 after his retirement Wisden published the first edition of the book that would make his name immortal He printed full and accurate scores along with indispensable facts about the Derby the St Leger the university rowing matches and other Interesting Information including potted histories of the Wars of the Roses The 1864 edition is now valued at anything up to 25 000 and Wisden Cricketers Almanack has been published continuously ever since not for nothing is it known as the cricketer s bible The Almanack has despite some close shaves never missed a year In 1937 it was just 48 hours from liquidation and in the Second World War a German bomber set fire to the company s headquarters destroying its records And yet somehow the yellow since 1938 book has retained its antique rugged character It is a labour of love collection of records for cricket obsessives but also a hearty eccentric It loves to count the number of wides in a season but also delights in relating tales from far flung pavilions Through the telling of Wisden s story we also glimpse the history of English and world cricket The book is a window onto the game s most charismatic characters its high points lows and political storms In The Little Wonder Robert Winder traces the central role the game has played in national life for so long The book s 150th anniversary in 2013 is the ideal time to tell the extraordinary story of Wisden s and cricket s journey from Victorian times to the modern world New every year it feels as though it has been with us for ever *Mystery Spinner* Gideon

Haigh, 2018-01-02 An unconventional journey brilliantly documented Courier Mail So you want to know something about this funny old bowling of mine Well there s nothing to it It s really very simple in fact at times I do not know much about it myself In 1950 aged in his mid thirties tall shy shambling Jack Iverson burst forth from obscurity in suburban Melbourne bowled like no man before and became a national sensation then faded from view almost as swiftly He died in obscurity in tragic circumstances In the enthralling *Mystery Spinner* first published in 1999 one of the world s best cricket writers goes in search of an enigma an ordinary man in whom lurked the extraordinary Gideon Haigh has been a journalist for three decades writing mainly about sport and business He is the author of more than thirty books among them the award winning *On Warne*

Certain Admissions and Stroke of Genius He lives in Melbourne One of the best cricket biographies I have ever read Wisden Cricket Monthly Even if you don't care for the game you might enjoy it Not your standard sporting biography Guardian A delight a gripping no pun intended read and an object lesson to anyone tempted to try their hand at biography ESPN cricinfo Magnificent Roar Spirit On The Water Mike Harfield, 2011-03-15 Spirit On The Water takes you on a voyage of eleven very different cricket tours The tours include Taverners jaunts to the Balearics an Aborigine team visiting England in 1868 Australia trying to win in India Sydney Barnes in South Africa Wally Hammond Down Under and more The lively conversational style which made Mike Harfield's previous book Not Dark Yet so popular appears again along with a cornucopia of cricket Most of the time it is the cricket which lives in the memory occasionally contemporary events intervene Always the journey is entertaining Surrey and England batsman Mark Butcher gets us into the mood in his excellent Foreword and then it's off on the first tour **Sports Betting: Law and Policy** Paul M. Anderson, Ian S. Blackshaw, Robert C.R. Siekmann, Janwillem Soek, 2011-10-28 Gambling is a significant global industry which is worth around 0.6% of world trade that is around US 384 billion and gambling on the outcome of sports events is a very popular pastime for millions of people around the world who combine a bet with watching and enjoying their favourite sports But like any other human activity sports betting is open to corruption and improper influence from unscrupulous sports persons bookmakers and others Sports betting in the last ten years or so has developed and changed quite fundamentally with the advent of modern technology not least the omnipresence of the Internet and the rise of on line sports betting This book covers the law and policy on sports betting in more than forty countries around the world whose economic and social development history and culture are quite different Several chapters deal with the United States of America This book also includes a review of sports betting under European Union EU Law The book appears in the ASSER International Sports Law Series under the editorship of Dr Robert Siekmann Dr Janwillem Soek and Marco van der Harst LL M *The Development of West Indies Cricket, Vol. 1* Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century

The book delves into The Penguin Cricketers Companion. The Penguin Cricketers Companion is a crucial topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into The Penguin Cricketers Companion, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Penguin Cricketers Companion
 - Chapter 2: Essential Elements of The Penguin Cricketers Companion
 - Chapter 3: The Penguin Cricketers Companion in Everyday Life
 - Chapter 4: The Penguin Cricketers Companion in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of The Penguin Cricketers Companion. This chapter will explore what The Penguin Cricketers Companion is, why The Penguin Cricketers Companion is vital, and how to effectively learn about The Penguin Cricketers Companion.
 3. In chapter 2, the author will delve into the foundational concepts of The Penguin Cricketers Companion. This chapter will elucidate the essential principles that must be understood to grasp The Penguin Cricketers Companion in its entirety.
 4. In chapter 3, this book will examine the practical applications of The Penguin Cricketers Companion in daily life. This chapter will showcase real-world examples of how The Penguin Cricketers Companion can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of The Penguin Cricketers Companion in specific contexts. The fourth chapter will explore how The Penguin Cricketers Companion is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about The Penguin Cricketers Companion. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Penguin Cricketers Companion.
