Iruthaya, 2012-08 For many of us theology rather than the Bible itself comprises our knowledge of God This knowledge however is a gift from the Holy Spirit In order to find it we must allow the Holy Spirit to direct us when we read the Bible instead of relying upon theologians interpretations The Bible s Tare and Blind Spot takes a hard look at the diverse complex and sometimes incompatible beliefs of various Christian groups Author Steven Iruthaya shares how portions of the Church have misrepresented and misapplied the teachings in the Scriptures over the past two thousand years Through analysis he contends that religious leaders have agendas that they do not always make clear Iruthaya raises a number of significant issues that have caused discussions and controversies throughout the history of the church He briefly explores early middle and modern Christianity s doctrines and then focuses on pertinent topics such as the Holy Spirit the life of Jesus the Ten Commandments and more His conclusions are challenging and for some perhaps provocative An informative treatise on Christianity The Bible s Tare and Blind Spot calls Christians to challenge their long held assumptions and in doing so find greater faith **The People's Bible** Joseph Parker, 1895 The Story of Faith, Hope and Love William Edward

Dewberry, 2013-10-23 The Story of Faith Hope and Love is a book about discovering God s nature character love justice forgiveness and truth The Bible answers these questions and offers people hope for eternal life This book answers important questions that inquiring minds might wonder about For example where did people come from What is the purpose of their existence What happens to them when they die Does their spirit live forever What happens to the spirit of people when the body dies This book gives an answer to all these questions and offers people hope for eternal life If this book is read without prejudice it will have the intended effect of producing faith in God Faith will lead to a desire to obey God and except Jesus Christ as the Son of God which can lead to eternal life The story of faith hope and love would be a great help to anyone in the missionary field as well as being an aid for Bible School teachers or anyone wanting to know more about the teachings of the Bible and their own personal salvation **Rational Religion and Morals: Presenting Analysis of the Functions of**

Denysenko, 2018-10-19 Works of liturgical theology tend to be produced by experts who draw from the sources and explain the meaning of the liturgy to the lay people When such explanations are firmly grounded in the sources the academy accepts and celebrates them as genuine works of liturgical theology Liturgical theology requires an examination from a different perspective the lay people s How do the lay people explain their understanding of the liturgy in their own words Drawing from the results of parish focus groups and a clergy survey The People s Faith presents the liturgical theology of the lay people in the Orthodox Churches of America The People s Faith presents original findings on how ordinary laity

experience the Divine Liturgy Holy Communion Lent and Easter liturgical change and gender roles in the Liturgy The author brings the laity's views into dialog with the prevailing liturgical theology in the Orthodox Church and identifies several topics worthy of theological reflection The people's veneration for tradition tops a list of liturgical issues worthy of further research including ecumenical aspects of the Eucharist the relationship between liturgy and theological anthropology and a desire to receive divine compassion during ritual celebration
