Jeffrey M. Berry

The Peoples Lawyers:

The People's Lawyer Albert Ruben, 2011-05 There is hardly a struggle aimed at upholding and extending the rights embedded in the U S Constitution in which the Center for Constitutional Rights CCR has not played a central role and yet few people have ever heard of it Whether defending the rights of black people in the South opponents of the war in Vietnam and victims of torture worldwide or fighting illegal actions of the U S government the CCR has stood ready to take on all comers regardless of their power and wealth When the United States declared that the Constitution did not apply to detainees at Guantanamo the CCR waded fearlessly into battle its Legal Director declaring My job is to defend the Constitution from its enemies Its main enemies right now are the Justice Department and the White House In this first ever comprehensive history of one of the most important legal organizations in the United States the Center for Constitutional Rights Albert Ruben shows us exactly what it means to defend the Constitution He examines the innovative tactics of the CCR the ways in which a radical organization is built and nurtured and the impact that the CCR has had on our very conception of the law This book is a must read not only for lawyers but for all the rest of us who may one day find our rights in jeopardy THE PEOPLE'S LAWYER

MUHAMMAD ARI PRATOMO, 2025-08-26 *The People's Lawyer* A Novel by Muhammad Ari Pratomo This novel is not only about law Not only about courtrooms articles or power It is a story about the courage to remain honest About a voice that cannot be bought About principles that are never traded And about something far more important than victory the courage to resist even when the outcome is uncertain Law students and every legal practitioner must read this novel Its story is also worthy of being adapted into a film one that stirs honesty in every conscience during this age of deepening corruption Thank you for reading *The People's Lawyer* Joseph Stevens Jones, 2024-01-03 Reprint of the original first published in 1856

One Thousand Legal Questions Answered by the "people's Lawyer" of the Boston Daily Globe Percy Albert Bridgman, 1891 **Law in the People's Republic of China** John H. Minan, Ralph H. Folsom, 2024-11-25 People's Lawyers Diana Klebanon, Franklin L Jonas, Diana Klebanow, 2020-07-24 Throughout America's history lawyers with a crusading zeal have through their moral stance intellectual integrity and sheer brilliance made use of the law to fight social injustice In short biographical chapters the authors tell the stories of ten of these lawyers Some are well known Thurgood Marshall William Kunstler Louis Brandeis Morris Dees Clarence Darrow and Ralph Nader Others are not so well known but deserve to be All are fascinating and influential attorneys and examination of their lives illuminates key issues in American history An annotated bibliography a chronology of the person's life and work and a helpful table detailing their most prominent cases accompany each chapter **Lawyers in 21st-Century Societies** Richard L Abel, Ole Hammerslev, Hilary Sommerlad, Ulrike Schultz, 2020-04-02 The world's legal professions have undergone dramatic changes in the 30 years since publication of the landmark three volume *Lawyers in Society* which launched comparative sociological studies of lawyers This is the first of two volumes in which scholars from a wide range of disciplines countries and cultures document and analyse

those changes The present volume presents reports on 46 countries with broad coverage of North America Western Europe Latin America Asia Australia North Africa and the Middle East sub Saharan Africa and former communist countries These national reports address the impact of globalisation and neoliberalism on national legal professions the relationship of lawyers and their professional associations to the state and tensions between state and citizenship changes in lawyer demography rapidly growing numbers and the profession s efforts to retain control the entry of women and obstacles to full gender equality ethnic diversity legal education the proliferation of institutions and pedagogic innovation the regulation of lawyers structures of production especially the growth of large firms and the impact of technology and paraprofessionals the distribution of lawyers across roles and access to justice state funded legal aid and pro bono services The juxtaposition of the reports reveals the dramatic transformations of professional rationales labour markets and working practices and the multiple contingencies of the role of lawyers in societies experiencing increasing juridification within a new geopolitical order

Lawyers and Justice David Luban, 2018-06-05 The law Holmes said is no brooding omnipresence in the sky If that is true writes David Luban it is because we encounter the legal system in the form of flesh and blood human beings the police if we are unlucky but for the marginally luckier majority the lawyers For practical purposes the lawyers are the law In this comprehensive study of legal ethics Luban examines the conflict between common morality and the lawyer s role morality under the adversary system and how this conflict becomes a social and political problem for a community Using real examples and drawing extensively on case law he develops a systematic philosophical treatment of the problem of role morality in legal practice He then applies the argument to the problem of confidentiality outlines an affordable system of legal services for the poor and provides an in depth philosophical treatment of ethical problems in public interest law

Lobbying for the People Jeffrey M. Berry, 2015-03-08 In recent years there has been growing recognition of the role played in American politics by groups such as Common Cause the Sierra Club and Zero Population Growth This book considers their work in terms of their origins and development resources patterns of recruitment decision making processes and lobbying tactics How do public interest groups select the issues on which they work How do they allocate their resources How do they choose strategies for influencing the federal government Professor Berry examines these questions focusing in particular on the process by which organizations make critical decisions His findings are based on a survey of eighty three national organizations with offices in Washington D C He analyzes in detail the operation of two groups in which he worked as a participant Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
