The Perfectly Imperfect Church Redefining The Ideal Church:

The Perfectly Imperfect Church Steve Sjogren, 2002 Redefining the ideal church The Perfectly Imperfect Church offers the most useful and practical training from churches that have used proven and effective approaches to ministry

The Mother Church John C. Bangs, 2010-07-22 It would be reasonable to estimate that multiple hundreds of thousands of people have become followers of Jesus Christ as a result of the modern church planting movement One characteristic of the literature of this movement has been an almost singular focus on the individual who is sent out to lead the new congregation rather than on the vital role of the sending or sponsoring church Practically all the books are written with one target in mind this individual leader the pioneer pastor usually referred to as the church planter The Mother Church is not written for pioneer pastors it is written for the leaders of potential mother churches It is designed to help leaders assess whether and when the birthing of a new church is a good idea for their congregation and to provide them with tools to birth and nurture healthy thriving life giving new churches Church leaders who desire to see their mission efforts survive and thrive need to give special attention to the hard won insights of John Bangs The Mother Church Bangs is not only a mission planter and pastor but he brings the broader view of a church planting leader Charles J Scalise Ph D Professor of Church History Fuller Theological Seminary The Mother Church will revolutionize the way we view and do birthing of mission churches Kent J Ingle D Min Dean College of Ministry Northwest University

The 1 Thing Thom Schultz, Joani Schultz, 2004 Eight of ten people want to grow spiritually But they re not looking to the church to find answers to their biggest spiritual questions Why not The 1 Thing suggests that the church may be distracted while trying to emulate other institutions such as a theater mortuary seminary or museum The authors take you on a friendly eye opening expedition among the sacred cows of contemporary church life And they bring you to the church s most potent tool a ministry based on the model of friendship Discover how your church can develop a fireside ambience that attracts people to a life changing relationship with Jesus Book jacket

Youth Ministry Malan Nel, 2018-12-01 This book aims at contributing to the scientific and academic discourse as regards to the what and why of youth ministry Too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets Its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry Previous scientific reflection has been determined by a one dimensional and almost exclusive point of view In comparison with existing literature this book does not focus so much on the how of youth ministry It innovates a different approach The book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry From a particular perspective on the understanding the main objectives of Practical Theology the author endorses the so called movement of what is supposed to be going on He adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on The book will form the standard

for any new research with regard to youth ministry The book's contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing Youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve **Giving Blood** Leonard Sweet, 2014-03-25 A
