The Comatose Kids:

The Comatose Kids Seymour Simckes,1975 **Subversive DNA and the Coma Awakening: A New Classical Way to Do Spirituality** Charlie Solorio,2008-06 Are you who you re supposed to be Were you taken away Could there be more to this life than what you see How can we recognize truth for living In the Subversive DNA series you are invited to enter into a multi dimensional multi personal and multi conversational story to experience a message that is living seeking and calling you to more If the model presented within this book is correct and lived out it changes each and every part of life and your role in it IT CHANGES EVERYTHING May those who are missing embark together on a new mystery adventure journey with new eyes to see and new hearts to understand as we examine the evidence and answer the question Is there a God communicating with me If you allow the rebellious tenacious Love to find and steal you away you ll never be the same About Charlie Solorio Charlie Solorio has had a life long interest in spiritual matters with a balance of faith and critical questioning He has had an ongoing internal conversation within himself about truth and spiritual matters that has influenced his external conversations with others These internal and external conversations have fueled his researching and studying of life with God and life without God He has attempted to utilize research personal life experiences with goofy stories and his vocation in the medical field in answering the question Is there a God communicating with me It is his belief that if the model presented within Subversive DNA is correct and lived out our lives will reflect our Creator If it is not correct then it s back to the drawing board Subversive DNA is an attempt to touch the face of God while conversing with Him *The Coma Compound* Craig Bailey,2021-08-03 The worst day in America s history will take place in the future The prison system of tomorrow is a stark contrast of any other inmate lockup style seen in the past The entire system needed a complete overhaul due to the overwhelming population of incarcerated people Several NFL stadium sized prison buildings were erected in a remote location a location that was kept a secret from the general public This new prison had only one goal in mind Once the prisoners arrived they were placed in a coma for the length of their prison sentence This prison had acquired a nickname the Coma Compound It was designed as a minimum security prison because of its lack of conscious criminals In the year 2046 the fine citizens of America were celebrating Independence Day in traditional fashion Everything was going great In the blink of an eye that all changed A mysterious fire broke out near the compound that night knocking out its power supply and ultimately disabling the medical equipment keeping the prisoners comatose Thirteen million prisoners woke up all at once Nobody was prepared for what came next Help! I'm a Sunday School Teacher! Ray Johnston,1996-03 Whether you teach first graders or high schoolers this funny yet extremely practical resource will give new spark to your teaching help you be more effective and help you have more fun Along with empathy and understanding Johnson offers creative thoughts tips and ideas for improving your Sunday school style **Island Intrigue** Wendy Howell Mills,2007-03-07 Sabrina Dunsweeney who has a tendency toward hypochondria and very bad cooking moves to tiny isolated Comico Island to recover from a cancer

scare and the sudden loss of her mother There she meets a man who tells her about Walk the Plank Wrightly a pirate who died 200 years ago and who has recently made a cameo reappearance in Sabrina s rose garden Attending a campaign fund raising tea party at the prestigious Tittletott House Sabrina finds the stoic islanders clutching monstrous neon teapots as they stampede toward the lone bathroom spurred on by an unexpected ingredient in the chocolate scones Then Sabrina finds the ghost now truly dead in her rose garden and is drawn into a maze of deadly island intrigue Wendy Howell Mills lives on a tropical island off the southwest coast of Florida Island Intrigue is her third book and first in a new series www.wendyhowellmills.com
