Becoming Poetry Jay Rogoff, 2023-11-15 Becoming Poetry focuses on helping readers grasp how poetry works upon our understanding and our imagination A model of practical criticism this volume of essays by the poet Jay Rogoff prizes the specific example over theoretical generalization and performs close critical examination of texts from a diverse range of poets classical and contemporary Formalities the first section deals with formal elements in works by poets ranging historically from Shakespeare and Emily Dickinson to contemporary writers such as Andrew Hudgins Paul Muldoon and Mary Jo Salter The central section examines collections of new and selected poems that offer work from poets entire careers Rogoff considers how such volumes assemble a body of poetry that then for readers defines the essential character of each poet The poets considered in this section include Philip Booth Jane Cooper Robert Dana Eamonn Grennan Rachel Hadas Hafiz James Henry Edward Hirsch Daniel Hoffman Michael Jennings Mary Oliver Kay Ryan Karl Shapiro W D Snodgrass Edward Thomas and David Wojahn Throughout Rogoff discusses how the poetry operates keeping in mind to paraphrase the scholar Stephen Booth that a poem is a sequence of actions upon

the understanding of the reader A briefer final section The Ear explores the aural qualities of poetry and music distinguishing between the experience of poetry on the ear and on the page Designed as a guide for readers of poetry who want to understand more about what makes it tick Becoming Poetry presents approachable discussions that show how poetry operates on us and how it creates a virtual affective experience of lasting power and value The Collected Poems of Anna Seward Lisa L. Moore, 2021-03-23 This critical edition of the poems of Anna Seward 1742 1809 re establishes one of the most popular and prolific poets of the early Romantic period Her work influenced Charlotte Smith and Mary Robinson and later both Wordsworth and Coleridge Her reputation was so high that Sir Walter Scott edited the posthumous edition of her poems in 1810 Unlike Scott's this edition reproduces the poems as they were first published in periodicals and collections during Seward's lifetime allowing scholars to experience them as eighteenth century readers did It also includes more than 200 poems that were excluded from the Scott edition
