The Hard Trip:

Journey Through Heartache Charlene Roberson Chandler,2006-09-26 An inspirational autobiography focusing on the importance of life's choices and a personal journey and struggle out of the depths of grief, heartache and despair in coping with a mentally ill husband, a shattered marriage and residual problems involved in raising a child alone. Plus the adventures of a new beginning, a new career, the miracle of answered prayer through a closer relationship with God and the ups and downs of a hilarious courtship of two people in middle age that ended in marriage.

The Hardest Thing I'll Ever Do Linda Guebert,2013-05 In *The Hardest Thing I'll Ever Do* Linda Guebert shares her personal grief journey following the sudden death of her husband only nine months after they were married. At times heartrending, occasionally funny, her compelling account moves us through sorrow, anger and despair to renewed hope and commitment to life. A powerful story of healing and personal growth, *The Hardest Thing I'll Ever Do* is a valuable resource for those who have suffered the loss of someone they love and for those who strive to understand grief and offer support to others.

The Journey to Adi Kailash M.K. Ramachandran,2023-11-27 Bestselling author M K Ramachandran is well known for his unique travelogues. Not only does he beautifully recount his journey but he also delves into history and culture, tying in various threads to show the reader the many elements that make India what it is. *The Journey to Adi Kailash* is no different. While detailing his trek to one of the most revered mountains of India, Ramachandran includes interpretations of our history, culture, traditions, the Puranas and the Upanishads as well as contributions by great sadhus, sages and rishis. He weaves in interesting stories of how the Asuras came to India, the ancient technology of turning metal to gold, the ninety-five year old woman who is well versed in the 144 courses of Kriya Yoga, the yogi who acquires the power to fly into the sky. *The Journey to Adi Kailash* is compelling reading and a book that holds a mirror to the greatness of India.

Fentonville Dale McMillan,2012-03-16 The small town of Fentonville is a typical small town with its social elitists and country club crowd who steer the content of the social register. Athaleigh Fenton, the bank president's wife, and Lucy Burke, the mayor's wife, are high in the pecking order. Nancy Fenton, Athaleigh's daughter, is in love with a little country boy, Ben Locke, who lives two farms down the road from her grandmother. Ben is not acceptable to Athaleigh, so she forces Nancy to date Joe Burke, Lucy's son. Follow the trail of trials and heartache as Nancy struggles with problems at home and Ben is a Marine in Korea in the heat of the Korean conflict. Nancy winds up living under the protection of her grandmother, Granny Fenton. Granny is a pioneer woman and she is the granddaughter of the founder of Fenton's trading post, which later became Fentonville. Granny Fenton, somewhat eccentric, still lives a pioneer lifestyle, living off the land, raising her garden, milking her cow and preserving her food. She and her son, Reginald, the bank president, are somewhat estranged because of Granny's frequent outbursts in Fentonville. What most in the town do not realize is that Granny is very intelligent and wealthy. Her son actually works for her.

The American Road Trip and American Political Thought Susan McWilliams Barndt,2020-07-06 Americans love road trips. They love to go on road trips.

They love to read about road trips They love to watch road trip stories unfold on television and film Road trip stories are a consistent feature of the American landscape a central part of American mythology and an important piece of the American dream In *The American Road Trip and American Political Thought* Susan McWilliams argues that the American fascination with road trip stories is about more than mere escapism or wanderlust She shows in walking through stories like *On the Road* and *The Grapes of Wrath* that American road trip stories are a key expression of American political thought They are not just stories of personal journeys They are stories of the American nation McWilliams Barndt shows how Americans have long used road trip stories to raise and explore central questions about American politics in theory and practice They talk about freedom and equality and diversity and take those vaunted American ideals for a test drive American road trip stories are where the rubber meets the road in American political thought *The American Road Trip and American Political Thought* includes explorations of a wide variety of American authors from Walt Whitman and Henry David Thoreau to Erika Lopez and Cheryl Strayed from Mark Twain and John Steinbeck to Solomon Northup and Hunter S Thompson It covers topics including gender labor place race and technology in American political life This is a book that will change the way you think about the great American road trip and the great American story
