The Body and Physical Difference David T. Mitchell, Sharon L. Snyder, 1997 Groundbreaking perspectives on disability in culture and the arts that shed light on notions of identity and social marginality

Physical Education and Physical Culture in South Africa, 1837-1966 Francois Johannes Cleophas, 2024-10-17 The interconnectedness between sport and colonialism has long been a matter of interest to sport historians Consequently a large number of scholarly works exist on physical education and physical culture history but there is no significant work on this within a South African context both nationally and at community level This book therefore provides the first historical account of physical education and physical culture in Cape Town South Africa and its surrounding areas in the Western Cape

The Body of Nature and Culture R. Giblett, 2008-10-14 This book explores the relationship of human bodies with natural and cultural environments arguing that these categories are linked and intertwined It argues for an environmentally

sustainable and healthy relationship between the body and the earth *Prosthetic Body Parts in Nineteenth-Century Literature and Culture* Ryan Sweet, 2021-12-03 This open access book investigates imaginaries of artificial limbs eyes hair and teeth in British and American literary and cultural sources from the nineteenth and early twentieth century Prosthetic Body Parts in Nineteenth Century Literature and Culture shows how depictions of prostheses complicated the contemporary bodily status quo which increasingly demanded an appearance of physical wholeness Revealing how representations of the prostheticized body were inflected significantly by factors such as social class gender and age Prosthetic Body Parts in Nineteenth Century Literature and Culture argues that nineteenth century prosthesis narratives though presented in a predominantly ableist and sometimes disablist manner challenged the dominance of physical completeness as they questioned the logic of prostheticization or presented non normative subjects in threateningly powerful ways Considering texts by authors including Charles Dickens Edgar Allan Poe and Arthur Conan Doyle alongside various cultural medical and commercial materials this book provides an important reappraisal of historical attitudes to not only prostheses but also concepts of physical normalcy and difference *Physical Culture and the Body Beautiful* Jan Todd, 1998 Todd kinesiology and health education U of Texas Austin discusses the diverse spectrum of women's exercise in the antebellum era especially exercise systems related to an ideal of womanhood and the ways that purposive training influenced American women physically intellectually and emotionally She also considers the contributions of several physical education figures Sarah Pierce Mary Lyon William Bentley Fowle Catherine Beecher David P Butler Dio Lewis and the phrenologist Orson S Fowler Annotation copyrighted by Book News Inc Portland OR *The Body* Mike Featherstone, Mike Hepworth, Bryan S Turner, 1991-02 This challenging volume reasserts the centrality of the body within social theory as a means to understanding the complex interrelations between nature culture and society At a theoretical level the volume explores the origins of a social theory of the body in sources ranging from the work of Nietzsche to contemporary feminist theory The importance of a theoretical understanding of the body to social and cultural analysis of contemporary societies is demonstrated through specific case studies These range from the expression of the emotions romantic love dietary practice consumer culture fitness and beauty to media images of women and sexuality This wide ranging book draws in part on papers published in **Theory** **Amateurism in British Sport** Dilwyn Porter, Stephen Wagg, 2007-12-13 In the essays collected here amateurism both as ideology and practice is subject to critical and unsentimental scrutiny effectively challenging the dominant narrative of more conventional histories of British sport *Lord for the Body* James Opp, 2005-12-19 In the early 1920s English Canadians were captivated by the urban campaigns of faith healing evangelists Crowds squeezed into local arenas to witness the afflicted slain in the spirit casting away braces and crutches Professional faith healers although denounced by critics as promoting mass hypnotism gained notoriety and followers in their call for people to choose the Lord for the Body
