The Heartland Companion Beth Franks, 1991 *The SNL Companion* Stephen Tropiano, Steven Ginsberg, 2024-09-17

This is a comprehensive ticket to learning more about every aspect of the late night comedy staple and its storied history. Library Journal Television history was made on October 11 1975 when a new generation of young performers welcomed America to the first episode of a new late night comedy and variety show. Combining cutting edge humor with a satirical sensibility Saturday Night Live would go on to become the longest running series of its kind in television history shining a light on pop culture as well as contemporary social and political issues. It also became a launching pad for many of the leading comedy performers of the last five decades including John Belushi Bill Murray Gilda Radner Eddie Murphy Phil Hartman Will Ferrell Tina Fey Amy Poehler Seth Meyers Jimmy Fallon Maya Rudolph and Kate McKinnon. Celebrating the show's record breaking 50 years on the air *The SNL Companion* is a fun fact filled tribute to a television institution. From the show's creation by Lorne Michaels through all of the seasons leading up to its golden anniversary it provides an in depth look at SNL's comedic highlights and nadirs its memorable hosts and musical guests and its many controversies. Along with a complete episode guide it explores the characters sketches politics catchphrases commercial parodies and viral shorts that have made it a leader in American comedy for over five decades. Vastly revised updated and expanded since its original publication in 2013 and packed with photographs and rich encyclopedic detail *The SNL Companion* is a one stop resource for all things SNL.

Captives and Companions Justin Marozzi, 2025-10-21 The definitive history of the slave trade in the Islamic world a story that has been overshadowed by its notorious but shorter lived Atlantic counterpart Slavery in the Islamic world has a long complex and controversial history In the earliest days of Islam Arab Muslims enslaved men women and children as the spoils of war In the following centuries young boys were imported to imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet s Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan s elite infantry unit Some even rose to the highest levels of political and military command making a mockery of their slave status For women leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world s insatiable demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania
