**The Complete Poems of William Barnes** William Barnes, 2013      *The Oxbridge Evangelist* Michael J.

Gehring, 2017-02-28 In *The Oxbridge Evangelist Motivations Practices and Legacy of C S Lewis* Michael Gehring examines the evangelistic practices of one of the most significant lay evangelists of the twentieth century In the early 1930s not many who knew Lewis would have guessed that he would become such a significant evangelist He has left an evangelistic legacy that has influenced millions across the world Yet Lewis scholarship has not given sufficient attention to this crucial aspect of his legacy This work examines Lewis's loss and recovery of faith and it shows how his experience heightened his own awareness of the loss of the Christian faith in England Because of his ability to identify with others Lewis engaged in the work of evangelism with uncanny skill This work required singular courage on his part it cost him dearly professionally and in his relationships Gehring critically explores Lewis's motivations practices and legacy of evangelism In doing so he provides penetrating insight for those interested in the theory and practice of evangelism in a culture that too readily leaves it to the crazies of the Christian tradition or relegates it to the margins of church life      **John Berryman: Collected Poems** John

Hope Mirrlees reputation as an early modernist poet was obscured by her cult status as author of the fantasy novel *Lud in the Mist* 1926 This title publishes Mirrlees remarkable long poem *Paris* alongside later poetry prose essays and work

*Judith Wright and Emily Carr* Anne Collett, Dorothy Jones, 2021-01-28 Knitting together two fascinating but entirely distinct lives this ingeniously structured braided biography tells the story of the lives and work of two women each a cultural icon in her own country yet lesser known in the other's Australian poet Judith Wright and Canadian painter Emily Carr broke new ground for female artists in the British colonies and influenced the political and social debates about environment and indigenous rights that have shaped Australia and Canada in the 21st century In telling their stories this book charts the battle for recognition of their modernist art and vision pointing out significant moments of similarity in their lives and work Although separated by thousands of miles their experience of colonial modernity was startlingly analogous as white settler women bent on forging artistic careers in a male dominated world and sphere rigged against them Through all this though their cultural importance endures two remarkable women whose poetry and painting still speak to us today of their
