Twenty-First Century World Order and the Asia Pacific J. Hsiung, 2001-08-10 After examining the global system's political volatility at the dawn of the new millennium the book looks at how some of the identifiable system wide trends e.g globalization democratization fragmentation etc may find repercussions in the Asia Pacific The book also addresses the question of comprehensive security in comparison with other regions in a wide range of areas subsuming economic security geoeconomics environmental security ecopolitics and human security In addition the book recognizes the idiosyncrasies of the region such as the defensiveness of most Asian governments toward the protection of their financial markets against external forces following the regional financial crisis of the late 1990s

Pacific Centuries Dennis O. Flynn, Lionel Frost, A.J.H. Latham, 1998-12-17 This book provides an overview of five centuries of Pacific and Pacific Rim economic and trade history making it a valuable contribution to understanding of the increasing global importance of this region

The Political Economy of East Asia K. Cai, 2016-04-30 In a systematic study of the political economy of East Asia Cai adopts an historical perspective alongside a contemporary focus exploring East Asia's development since the late 19th century Following similar paths to economic development East Asian states have achieved economic success integrating themselves into a regional economy

The Pacific Ranginui Walker, William M. Sutherland, 1988

Economic Development in East and Southeast Asia Seiji Naya, Akira Takayama, 1990 This volume reflects the wide range of

development issues and problems of the economies of East and Southeast Asia whose dynamic performances have caught the attention of many around the world It also serves to honour Professor Shinichi Ichimura for his dedication and many contributions to creating a better understanding of the development issues faced by the countries in the region Both the editors and all of the contributors in this book have worked with Professor Ichimura at one time or another **United States Trade Relations with the Newly Industrializing Countries in the Pacific Basin** Won Kwang Paik,2018-11-02 With the resurgence of new Protectionism international trade and trade relations are once again prime topics for study This book first published in 1997 examines in detail the different ways to answer the questions What are the causes of trade relations And specifically what factors determine a flow of commodities from one country to another **Western Europe and Southeast Asia** Giuseppe Schiavone,2016-01-06 The European Community and the Association of Southeast Asian Nations functions and powers have established a formal relationship which could provide a valuable model for interregional cooperation between industrialized and developing countries now that repeated efforts to launch global North South negotiations have come a dead end The proceedings of a conference convened to discuss opportunities for and obstacles to a closer relationship between the two groups are presented here
