The Partisans Against the Nazi War Machine Hyman Shenkman,1971 *The Partisans against the Nazi war machine* Hyman Sherkmann,1971 **American Book Publishing Record** ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 **American Book Publishing Record Cumulative, 1950-1977: Fiction. Juvenile fiction** R.R. Bowker Company. Department of Bibliography,1978 *Days of Remembrance of the Victims of the Holocaust* ,1988 *The Publishers Weekly* ,1971 **Black Humor and the White Terror** Béla Bodó,2023-04-06 This book examines political humor as a reaction to the lost war the post war chaos and antisemitic violence in Hungary between 1918 and 1922 While there is an increased body of literature on Jewish humor as a form of resistance and a means of resilience during the Holocaust only a handful of studies have addressed Jewish humor as a reaction to physical attacks and increased discrimination in Europe during and after the First World War The majority of studies have approached the issue of Jewish humor from an anthropological cultural or linguistic perspective they have been interested in the humor of lower or lower middle class Jews in the East European shtetles before 1914 On the other hand this study follows a historical and political approach to the same topic and focuses on the reaction of urban middle class and culturally assimilated Jews to recent events to the disintegration of the Dual Monarchy the collapse of law and order increased violence the reversal of Jewish emancipation and the rise of new and more pernicious antisemitic prejudices The study sees humor not only as a form of entertainment and jokes as literature and a product of popular culture but also as a heuristic device to understand the world and make sense of recent changes as well as a means to defend one s social position individual and group identity strike back at the enemy and last but not least to gain the support and change the hearts and minds of non Jews and neutral bystanders Unlike previous scholarly works on Jewish resistance during the Holocaust this study sees Budapest Jewish humor after WWI as a joint adventure as a product of urban and Hungarian culture in which Jewish not only played an important role but also cofounded Finally the book addressed the issue of continuity in Hungarian history the twisted road to Auschwitz whether urban Jewish humor as a form of escapism helped to desensitize the future victims of the Holocaust to the approaching danger or it continued to play the same defensive and positive role in the interwar period as it had done in the immediate aftermath of the Great War *Children Against Hitler* Monica Porter,2020-04-30 Readers of all generations have grown up on *The Silver Sword* Ian Serrailier s best selling tale of children under wartime occupation but few know the real life stories of the children and teenagers who went further and actually stood up to the Nazis Here for the first time Monica Porter gathers together their stories from many corners of occupied Europe showing how in a variety of audacious and inventive

ways children as young as six resisted the Nazi menace risking and sometimes even sacrificing their brief lives in the process a heroism that until now has largely gone unsung These courageous youngsters came from all classes and backgrounds There were high school drop outs and social misfits brainy bookworms the children of farmers and factory workers Some lost their entire families to the war yet fought on alone Often more adept and fearless at resistance than adults they exuded an air of guilelessness and could slip more easily under the Nazi radar But as nets tightened many were captured tortured or imprisoned some paying the highest price a life cut short by execution before they had even turned eighteen These children were motivated by different ideals patriotism political conviction their Christian beliefs or revulsion at the brutality of the Third Reich But what united them was their determination to strike back at an enemy which had deprived them of their freedom their dignity and their childhood
