The portability, accessibility, and affordability of the one volume commentary will appeal to professors and students as well as lay persons and pastors. This commentary contains articles on all the books of the Bible including the Apocrypha as well as numerous general articles on biblical interpretation, geographical and historical setting, religion, text, canon, translation, Bible, and preaching, teaching, with bibliographies for each article. Extra value includes chronology, timeline, table of measures and money, and a subject index. Old Testament Editor Dr David L Petersen, Franklin Nutting Parker Professor of Old Testament, Emory University. Professor Petersen's current research focuses on the book of Genesis and on prophetic literature. An ordained Presbyterian minister, Dr Petersen has written, coauthored, or coedited a number of scholarly and popular books and articles. He was the senior Old Testament editor for The New Interpreter's Bible. Professor Petersen is a past president of the Society of Biblical Literature. Harrelson, 2003. In a new study Bible based on The New Revised Standard Version with Apocrypha, 60 scholars provide background and insight on the biblical text in a book that features extensive historical and theological annotations, brief introductions and outlines for each biblical book, 19 newly commissioned historical maps, and more. *Renewing New Testament Christology* Leander E. Keck, 2023. This book redefines New Testament Christology as content and as the discipline explaining that content. Behind this dual redefinition stands one conviction: instead of perpetuating the view of Christology as a theologically informed history of early ideas about Christ.

Library Journal, 2003. Includes beginning Sept 15, 1954, and on the 15th of each month, Sept-May, a special section, School Library Journal. ISSN 0000-0035, called Junior Libraries, 1954-May 1961. Also issued separately. **Leadership in Small Churches** Ben D. Craver, Kelly Malone, 2021-03-01. Leadership in Small Churches inspires and equips men and women who are called to serve in churches of less than 100 people, which are the majority of churches in the United States. Small churches in the United States suffer from a lack of leadership. On the one hand, there is a shortage of leaders. On the other hand, leaders who serve faithfully sometimes feel ill-equipped to carry out their calling due to inadequate training, especially a lack of training specific to small churches. This volume provides guidance from scholars and practitioners with experience in

small churches Because of their experience in and commitment to ministry in small churches these writers are well qualified to discuss the breadth of topics in this book These topics include developing vision handling conflict pastoral care preaching discipleship ministry to youth and children missions and identifying and training leaders **The New Testament**
