Avelino, 2009-04-07 The Path to Success The only dumb people in this world are those who do not have any dream but dream without any effort is dead When you wake up in the morning do not be like that bird hiding under the leaves and branches of the trees for fear of the drops of rain Go out and challenge your day with confidence and determination Face your day with full of life joy and expectations Do not be like that tree that stood in one place for so long without any dream without any hope Roar like a tiger and surmount every challenge you face with fortitude and willpower Try to be a winner a winner who is not afraid to fail Acceptance of failure is a sign of strength and a way of overcoming the ego Failure is one tool of learning Experience and learning enrich your wisdom in life Written by Mars M Avelino *The Pathway to Success* Pastor S. O. Nnadikwe, 2018-06-29 The book is divided into two parts with an introduction Part 1 has four chapters and part 2 has three chapters Part 1 is kingdom keys for succeeding in life and part 2 is principles for success The book has seven chapters in whole The book is all about succeeding in life and there are pathways you must follow to get there Apparently success is not a destination but a movement upward from one level to the next level Success can become a failure when you dont continue moving forward Success of yesterday can become failures of today if there is no further progress Through this book you will understand that failure is a confession as success is So when you say it is impossible you become a failure indeed Even God cannot help you until you change your confession Failure is the beginning of success because it tells you to try it again And in doing it again you win Through this book you will also learn how to invest in Gods kingdom obey his word and manage your life and time in others to get to your wealthy place There is a wealthy place God has prepared for you and he wants you to get there The pathway to success is summed up in the following Dont lose the sight of God You will learn that if you loss the sight of God you will lose sight of greatness King Uzziah lost sight of God as well as Apostle Judas Iscariot Both never became great Succeeding through the force of labor You will understand that your wealth success or prosperity is traceable to your

assignment or Gods purpose you are carrying out There is no entitlement in title bearing It is the work you do that bears the title and brings about your wealth Invest in the kingdom of God Here in this chapter you will learn how to serve God properly You will also know that if you dont service your purpose your purpose will become purposeless Kingdom investment is what brings life increment Whatever that is saved in Gods hands is secured and generates wealth There is a bank of heaven and given is the channel through which you store up treasures in the bank and righteousness is the medium through which you activate it for withdrawal and through the name of Jesus withdrawal is made possible Patience is a divine factor that stabilizes your faith for effective performance in any given areas of life Obedience is one of the spiritual tests for succeeding in life You will get to understand that when you obey Gods Word natural and even spiritual things will obey you Application is the scientific way of getting answers to any equations of scientific nature and so it is in the kingdom of God Manage your life You will know that God created you to be a leader and a manager Management is the key to enthronement You will manage your life through planning organizing directing and controlling Manage your time wisely You will get to understand that time is the currency of life and the key to fulfillment Time management is the proper use of time to achieve all your goals and prioritizing them according to importance Time management will help you prioritize know your objective plan very well and then schedule your task Discipline helps to maintain sanity and prepares one for future glory
