The Peace Corps Ambassadors Of Goodwill:

The Peace Corps Henry Bolles Lent,1966 **The Peace Corps Volunteer, a Quarterly Statistical Summary** Peace Corps (U.S.). Division of Volunteer Support,1962 Modernization as Ideology Michael E. Latham,2003-06-19 Providing new insight on the intellectual and cultural dimensions of the Cold War Michael Latham reveals how social science theory helped shape American foreign policy during the Kennedy administration He shows how in the midst of America s protracted struggle to contain communism in the developing world the concept of global modernization moved beyond its beginnings in academia to become a motivating ideology behind policy decisions After tracing the rise of modernization theory in American social science Latham analyzes the way its core assumptions influenced the Kennedy administration s Alliance for Progress with Latin America the creation of the Peace Corps and the strategic hamlet program in Vietnam But as he demonstrates modernizers went beyond insisting on the relevance of America s experience to the dilemmas faced by impoverished countries Seeking to accelerate the movement of foreign societies toward a liberal democratic and capitalist modernity Kennedy and his advisers also reiterated a much deeper sense of their own nation s vital strengths and essential benevolence At the height of the Cold War Latham argues modernization recast older ideologies of Manifest Destiny and imperialism
