The Peak Performance School A Reason For Restructuring:

The Peak Performance School Monte C. Moses,1990 **Jsl Vol 1-N3 JOURNAL OF SCHOOL LEADERSHIP**,1991-05-01 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement **The Restructuring Handbook** Kathryn S. Whitaker, Monte C. Moses,1994 The authors present ten essential components to successfully restructure schools They organize these components into three categories the visionary elements quality improvement elements and collaborative elements The process of restructuring begins with a total reconceptualization of what schools are for and how they function During this process educational leaders must work to create a shared vision of success where student performance improves and the school is viewed as a model of organizational excellence Once the school vision and mission have been developed and articulated school leaders facilitate the realignment of curriculum instruction and assessment while reorganizing the school to fit the school s newly defined mission After presenting the visionary elements of restructuring the authors discuss concrete ways to improve school quality Enhancing the teaching profession implementing school centered decision making expanding the use of technology and providing excellent service lead to higher standards and improved performance for students teachers and administrators The collaborative elements of restructuring include increasing parent and community involvement building collaborative relationships internally and externally and providing extended services The authors emphasize the importance of building collaborative relationships within schools and then extending those relationships to the broader school community **Roadmap to Restructuring** David T. Conley,1993 Designed as a guide for practitioners this book draws on over 600 sources to discuss school restructuring definitions trends and issues achievements of a few select schools and implementation techniques and strategies Two overarching indirectly stated issues pervading the reconceptualization of schooling are multiculturalism and a caring school staff The book is organized into four parts Part 1 Rationale and Context presents a historical context for restructuring and a summary of the current motivations for and implications of educational restructuring Part 2 Changing Roles and Responsibilities examines the evolution of new roles for essentially all the groups that participate in public education Part 3 Dimensions of Restructuring explores the concepts of incremental and discontinuous change and extensively discusses current school restructuring activities along 12 dimensions learner outcomes curriculum instruction assessment learning environment technology school community relations time

schedules governance teacher leadership personnel definitions and roles and working relationships Part 4 Process of Restructuring captures the lessons being learned about the restructuring process and presents examples of strategies and techniques Contains over 600 references MLH **Directory of Organizations in Educational Management** ,1994

The Peak Performing Organization Ronald J. Burke,Cary L. Cooper,2008-11-26 This international collection of essays from leading authorities in the field of organizational studies combines empirical and theoretical evidence and analyses how effective human resource management can lead to successful organizations New Schools for a New Century Tewel,1995-02-28 Combining both the theory as well as the practice of the education reform process this unique breakthrough volume focuses on every aspect of the change process in high school education today Short and long term strategies for each phase of the process provoking creating managing supporting and sustaining reform are covered Based on the real life experiences of the author and others this book recognizes that most high school reform is short lived It stresses the ways to create and maintain positive change making the process a long lasting worthwhile mission for the school s leadership and ultimately the students Short useful summaries of high school reform provide true life pictures of what really happens in the midst of changing the way educational institutions operate These stories cover school based management collaborative or shared leadership school within a school groupings interdisciplinary instruction school based budgeting new models for professional development and others Through these examples readers can understand how reform strategies work and how to apply and adapt them to their own situations As an added feature this book provides the names and locations of schools attempting each reform as well as the names and addresses of school reform networks that readers can contact in their own efforts Journal of School Leadership ,1991 *Resources in Education* ,2001-10 **Teacher and Student Evaluation** Alyson Leah Lavigne,Thomas L. Good,2013-09-05 Following the recent major school reform of Race to the Top schools teachers and students are increasingly evaluated through high stakes achievement test scores In six concise chapters Teacher and Student Evaluation explores the historical rise and modern landscape of accountability in American education and the current models of teacher evaluation The authors provide realistic and useful suggestions for responding to current accountability demands The authors explore the methodological concerns and policy implications of using value added and observational measures to make high stakes decisions After reaching the conclusion that these contemporary evaluation practices are flawed Alyson Lavigne and Thomas Good offer possible solutions that inform current and future teacher evaluation This book is a valuable resource for students of educational assessment as well as policy makers administrators and teachers who are currently building accountability plans The book is written in an accessible but authoritative fashion that practitioners policymakers and scholars will find useful
