

Chapter 6

Sharing the Road

Our streets and highways are well traveled. Therefore, it is necessary that you, as a driver or pedestrian, know and practice the rules of the road. You should always be aware of the traffic around you and be prepared for emergency situations.

Bicycles

Bicycle riding is an important means of transportation, particularly for traveling to and from work and school. Because bicycles are vehicles, bicyclists must obey the same traffic laws as other drivers, this includes DWI laws.

Bicyclists usually ride on the right side of the lane, but are entitled to use the full lane.

Like drivers, bicyclists must:

- Ride on the right side of the road;
- Stop for stop signs and red lights; and
- Give hand signals.
