PENTAGON PAPERS CHARGES ARE DISMISSED; JUDGE BYRNE FREES ELLSBERG AND RUSSO, ASSAILS 'IMPROPER GOVERNMENT CONDUCT'

White House Says Attacks Will Continue in Cambodia

By HERBERT GOLDHAMER

Special to THE NEW YORK TIMES

WASHINGTON, May 12. — In the preliminary opinion of the White House and other officials, the war in Cambodia is not the result of a constitutional crisis, the White House said today. The war, the officials said, is the result of a "complex of factors" and is not a constitutional crisis.

The White House said today that the war in Cambodia is not the result of a constitutional crisis, the White House said today. The war, the officials said, is the result of a "complex of factors" and is not a constitutional crisis.

GRAY CALL TO NIXON Said to Inform Inquiry It Came 3 Weeks After Watergate

By WILLIAM BRADLEY

Special to THE NEW YORK TIMES

WASHINGTON, May 12. — A call from Alexander Haig, the Soviet ambassador, to President Nixon, three days after the Watergate scandal, is said to have been the first of a series of calls that led to the resignation of Richard Nixon.

Judge William Bradford Huie, shown on the far right, presided over the Pentagon papers case.

NEW TRIAL BARRED

But Decision Does Not
Solve Constitutional
Issues in Case

By WILLIAM BRADLEY

Special to THE NEW YORK TIMES

WASHINGTON, May 12. — The Supreme Court today ruled that the Pentagon papers case is not a constitutional crisis, and that the government's actions are not unconstitutional.

The court's decision, which was a 5-4 vote, means that the government's actions are not unconstitutional, and that the Pentagon papers case is not a constitutional crisis.

The Pentagon Papers

David Rudenstine

The Pentagon Papers:

Inside the Pentagon Papers John Prados, Margaret Pratt Porter, 2004 Inside the Pentagon Papers addresses legal and moral issues that resonate today as debates continue over government secrecy and democracy's requisite demand for truthfully informed citizens In the process it also shows how a closer study of this signal event can illuminate questions of government responsibility in any era When Daniel Ellsberg leaked a secret government study about the Vietnam War to the press in 1971 he set off a chain of events that culminated in one of the most important First Amendment decisions in American legal history That affair is now part of history but the story behind the case has much to tell us about government secrecy and the public's right to know Commissioned by Secretary of Defense Robert McNamara the Pentagon Papers were assembled by a team of analysts who investigated every aspect of the war Ellsberg a member of the team was horrified by the government's public lies about the war discrepancies with reality that were revealed by the report's secret findings His leak of the report to the New York Times and Washington Post triggered the Nixon administration's heavy handed attempt to halt publication of their stories which in turn led to *The Pentagon Papers: as Published by the New York Times* Neil Sheehan, 1971 A report on the government sponsored top secret history of the United States relations with Indochina first published in the New York Times The Pentagon Papers George Herring, 1993 This book provides a brief and manageable collection of the most important documents on U S policymaking in the Vietnam War between 1950 and 1968 Edited by the foremost Vietnam historian this supplementary text can be used in conjunction with any history of the Vietnam war Herring's own *America's Longest War* for example *The Pentagon Papers* Susan Dudley Gold, 2006-01-30 Examines the consequences of the leak made to the press about the secret government study on the Vietnam War and the litigation that followed **The Pentagon Papers** Neil Sheehan, Hedrick Smith, E. W. Kenworthy, Fox Butterfield, 2017-12-12 The WikiLeaks of its day Time is as relevant as ever to present day American politics The most significant leaks of classified material in American history The Washington Post Not Fake News The basis for the 2018 film *The Post* by Academy Award winning director Steven Spielberg The Pentagon Papers are a series of articles documents and studies examining the Johnson Administration's lies to the public about the extent of US involvement in the Vietnam War bringing to light shocking conclusions about America's true role in the conflict Published by The New York Times in 1971 The Pentagon Papers riveted an already deeply divided nation with startling and disturbing revelations about the United States involvement in Vietnam The Washington Post called them the most significant leaks of classified material in American history and they remain relevant today as a reminder of the importance of a free press and First Amendment rights The Pentagon Papers demonstrated that the government had systematically lied to both the public and to Congress This incomparable 848 page volume includes *The Truman and Eisenhower Years 1945-1960* by Fox Butterfield *Origins of the Insurgency in South Vietnam* by Fox Butterfield *The Kennedy Years 1961-1963* by Hedrick Smith *The Overthrow of Ngo Dinh Diem May-November 1963*

by Hedrick Smith The Covert War and Tonkin Gulf February August 1964 by Neil Sheehan The Consensus to Bomb North Vietnam August 1964 February 1965 by Neil Sheehan The Launching of the Ground War March July 1965 by Neil Sheehan The Buildup July 1965 September 1966 by Fox Butterfield Secretary McNamara's Disenchantment October 1966 May 1967 by Hedrick Smith The Tet Offensive and the Turnaround by E W Kenworthy Analysis and Comment Court Records Biographies of Key Figures With a brand new foreword by James L Greenfield this edition of the Pulitzer Prize winning story is sure to provoke discussion about free press and government deception and shed some light on issues in the past and the present so that we can better understand and improve the future

Secrets Daniel Ellsberg, 2003-09-30 The true story of the leaking of the Pentagon Papers the event which inspired Steven Spielberg's feature film *The Post* In 1971 former Cold War hard liner Daniel Ellsberg made history by releasing the Pentagon Papers a 7 000 page top secret study of U S decision making in Vietnam to the New York Times and Washington Post The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War In this remarkable memoir Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U S State Department observer and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy The story of one man's exploration of conscience *Secrets* is also a portrait of America at a perilous crossroad Ellsberg's well told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought The Washington Post Ellsberg's deft critique of secrecy in government is an invaluable contribution to understanding one of our nation's darkest hours Theodore Roszak San Francisco Chronicle

The Pentagon Papers Geoffrey A. Campbell, 2000 Discusses the Supreme Court trial which resulted from the decision of the New York Times newspaper to publish secret government documents about the Vietnam War

The Papers & the Papers Sanford J. Ungar, 1975

The Pentagon Papers Katharine Graham, 2017-12-12 Drawn from Katharine Graham's Pulitzer Prize winning memoir *Personal History* a dramatic account of how she piloted the Washington Post through the Pentagon Papers and Watergate crises After inheriting the Post from her father and assuming its leadership in 1963 after the death of her husband Graham found herself unexpectedly playing a role in history Here she recounts the riveting episodes that transformed a shy widow into a newspaper legend as she defied the government to publish the Pentagon Papers secrets about the Vietnam War and then led the way in exposing the Watergate scandal Graham gives us an intimate behind the scenes view of the tense debates and high stakes she and her editors faced and concludes with a powerful argument for the freedom of the press as a bulwark against abuses of power An ebook short

The Day the Presses Stopped David Rudenstine, 1996 Publication of the Pentagon reports led the Nixon administration to sue the Times for a prior restraint unleashing a firestorm of publicity and legal wrangling A mere fifteen days later the Supreme Court freed the Times and the Washington Post which had also secured a copy of the documents to continue publishing their Pentagon Papers series

The Enigmatic Realm of **The Pentagon Papers**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary.
