The People's Choice Paul F. Lazarsfeld, Bernard Berelson, Hazel Gaudet, 1948 *The People's Choice* Pasquale De Marco, 2025-05-11

The People's Choice is a timely and thought provoking examination of the state of American politics. Drawing on decades of experience observing and analyzing the political landscape, Pasquale De Marco offers unique insights into the challenges facing the country and the opportunities for progress. In a world where political discourse is often polarized and divisive, The People's Choice provides a refreshing perspective that seeks to bridge divides and foster a more constructive dialogue. Pasquale De Marco argues that the key to revitalizing American democracy lies in empowering the people and restoring faith in the political system. Throughout the book, Pasquale De Marco explores a wide range of issues that are shaping the future of the United States, including the rise of populism, the decline of traditional political parties, the impact of social media on political discourse, and the challenges facing the American economy. Pasquale De Marco believes that these challenges can be overcome if we work together to find common ground and put the interests of the American people first. The People's Choice is a must read for anyone who is concerned about the future of American democracy. Pasquale De Marco provides a clear-eyed assessment of the challenges we face, but also offers a message of hope and optimism. This book will inspire readers to get involved in the political process and work towards a better future for all Americans. Incisive, thought provoking, and deeply informed, The People's Choice is an essential guide to the most pressing issues facing the United States today. Pasquale De Marco offers a unique perspective that is both timely and timeless, providing insights that will resonate with readers long after they finish the book. The People's Choice Charles A. Imokhai, 2015-01-28

The Peoples Choice illustrates the centuries of intercontinental cultural exchanges between Europe and Africa, between Britain and Nigeria, between the English and the Ijaw, and between Goodluck Jonathan and Nigeria. In this manner, The Peoples Choice claims that the story of Goodluck Jonathan is the story of Nigeria. This is how it unfolds: An illiterate farm boy, a genius in traditional arts of the Ijaw people, found his niche in science and obtained a doctorate degree in zoology. As an assistant director of ecology in the Directorate of Environment and Pollution Control, he soon became the choice of the PDP to be the running mate of the gubernatorial candidate Chief Alamiyeseigha. Given this political exposure in 1999, he soon became the governor of Bayelsa State in 2006, the vice president of the Federal Republic of Nigeria in 2007, and the president and commander in chief of the Armed Forces of the Federal Republic of Nigeria in 2010. President Goodluck Ebele Azikiwe Jonathan GCFR, a meteoric political mega superstar, told his compatriots that "If I could make it, you too can make it." This fascinating story is the story of a Nigerian, the most powerful black man in the world, and of Nigerians, the most numerous negroid race in the planet, and of Nigeria, the nation which is the giant in the sun of Africa. Nigeria, with a population of a hundred and seventy million, has struggled to be a free, sovereign, economically sufficient nation, and a homogeneous religious and ethnic national entity. This struggle has
