his father leaned toward worship as well until the tumult of the 1960s came between them Their disagreements over Martin Luther King Jr and the civil rights movement turmoil in the Church and finally Vietnam where the elder Carroll chose targets for US bombs began to outweigh the bond between them While one of James's brothers fled to Canada another was in law enforcement ferreting out draft dodgers James meanwhile served as a chaplain at Boston University protesting the war in the streets but ducking news cameras to avoid discovery Their relationship would never be the same again Only after Carroll left the priesthood to become a writer and a husband with children of his own did he begin to understand fully the struggles his father had faced In *An American Requiem* the New York Times bestselling author of *Constantine's Sword* and *Christ Actually* offers a benediction in a moving memoir of the effect of the Vietnam War on his family that is at once personal and the story of a generation at once heartbreaking and heroic this is autobiography at its best Publishers Weekly
