Solefood Solefood,2005-12-01 What if this what if that we all do it every second every day Otherwise we wouldn't be human This book was not designed to make you like or not like certain topics spoken on or touched upon It is to invite you into the universal minds that we all live in When I say universal minds I mean things that we all think about but not necessarily act upon or even mention to others As I began to write this book I knew that I wanted my readers to feel like there in that particular situation Whether the poem be a family poem Godly poem sexual poem love poem etc if the words don't run through your body as you read than I didn't do a good job writing and expressing these thoughts We as human beings have fantasies that we enjoy embracing within our own minds I thought to myself if we all have these images that seem so far from reality why not bring the thoughts of all to paper through my words to create these images for others as well My very close friends inspired me as well as family people I never even knew or knew for just a second of my life I want you to become intoxicated and obligated to setting your mind free www.solefood27.com *Awaken the World Within* Prof. Hilton Hotema,2017-01-12 World Famous alternative health writer esoteric author and mystic Hilton Hotema gives a fascinating exposition of his theories This course of study 58 wonderful lessons contains a clear and simple exposition of what all must learn if they would get out of the fog of false teaching and travel the great way of regeneration and redemption [Son of Perfection, Part 1](#) Hilton Hotema,2018-12-05 A SUMMARY OF THE HIDDEN TEACHINGS OF THE APOCALYPSE LAST BOOK OF THE BIBLE Man is the subject of the Ancient Scriptures Perfect Man is the Hero of the Ancient Scriptures Deportment in harmony with Cosmic Law was the ancient standard of Perfect Man According to the principles of the Ancient Masters complete self mastery was their standard of Perfect Man For he who conquers himself is greater than he who conquers a city He that overcometh the desires of the flesh and the passions of the blood and obeyeth the commandment not to eat of the forbidden fruit the same shall inherit all things good in life and I Perfection will be his Guide and he shall be my Son Gen 2 17 Rev 21 7 The first book and the last book of the Bible deal with the forbidden fruit The last book describes in symbol and parable the nature of the man who heeds the commandment not to eat of the forbidden fruit and defines the great reward inherited by him for obedience For such is the only man who is worthy to open the book and to loose the seals thereof Rev 5 Also in the last book of the Bible there is concealed the greatest of all secrets of the Human Body the Microcosm This secret hidden in symbol and parable is so strange and obscure that as yet modern science knows nothing about it and the priests and preachers have never discovered it The purpose of this work which is presented in two parts is to uncover and reveal that carefully guarded secret and to provide a summary of the hidden teachings of the Apocalypse the last book of the Bible *SoleFood* Adolph Joseph Jr.,2010-03 SoleFood writes not about his own experiences as many poets tend to do rather he enhances other's life experiences through words that enable you to connect on such a level that you can envision the words as they come to life *The Cost of food* Ellen Henrietta Richards,1917 *Food* Ephraim Cutter,John
