The Guinness Of Military Anecdotes:

The Guinness Book of Military Anecdotes Geoffrey Regan, 1992 **Malice Aforethought** Ian Jones, 2021-06-02 War has always provided a stimulus to technological development and throughout the twentieth century this new technology was harnessed to produce increasingly deadly and malicious types of explosives in the form of booby traps mines delayed action devices and mobile charges Designed constructed or adopted to kill or injure these lethal mechanisms function when a person disturbs or approaches a seemingly harmless object or performs an apparently safe act In other instances they are set off by remote control or automatically after a lapse of time Fully illustrated with diagrams and photographs **Malice Aforethought** traces the design deployment and effectiveness of these deadly devices throughout both world wars to the Vietnam War Expertly and compellingly written this unique study is a tribute to the brave men who risked their lives daily to neutralise the booby traps laid in the dimly lit dugouts of the Western Front on the beaches of Normandy or in the dark and dangerous tunnels of Chu Chi **The Oxford Book of Theatrical Anecdotes** Gyles Brandreth, 2020-10-08 This is the ultimate anthology of theatrical anecdotes edited by lifelong theatre lover Gyles Brandreth in the Oxford tradition and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet from Richard Burbage to Richard Briers from Nell Gwynn to Daniel Day Lewis from Sarah Bernhardt to Judi Dench Players playwrights prompters producers they all feature **The Oxford Book of Theatrical Anecdotes** provides a comprehensive revealing and hugely entertaining portrait of the world of theatre across four hundred years Many of the anecdotes are humorous all have something pertinent and illuminating to say about an aspect of theatrical life whether it is the art of playwriting the craft of covering up missed cues the drama of the First Night the nightmare of touring or the secret ingredients of star quality Edmund Kean Henry Irving John Gielgud Laurence Olivier Ellen Terry Edith Evans Maggie Smith Helen Mirren the great names are all here of course but there are tales of the unexpected too and the unknown This is a book presented in five acts with a suitably anecdotal and personal prologue from Gyles Brandreth where once in a while the understudy takes centre stage and Gyles Brandreth treats triumph and disaster just the same including stories from the tattiest touring companies as well as from Broadway the West End and theatres large and small in Australia India and across Europe **The Viscous** Freddie Mason, 2020-05-20 Slime goo gunge gloop gels sols globules jellies emulsions greases soaps syrups glues lubricants liquid crystals moulds plasmas and protoplasts the viscous is not one thing but rather a quality of resistance and flow of stickiness and slipperiness It is a state of matter that oozes into the gaps of our everyday existence across age groups between cultures and disciplines Since the large scale extraction of petroleum in the 19th century the viscous has witnessed a proliferation in the variety of its forms Mechanized industry required lubricants and oil distillation produced waste products that were refined to form Vaseline From this age new viscous forms and technologies emerged products from plastic and plastic explosives to cosmetics glycerine asphalt sexual lubrication hydro and aero gels and even

anti climb paint Based on unique and wide ranging research *The Viscous* is the first major investigation of encounters with and possibilities of the viscous over the course of the last century not simply as a material state but also as an imaginative event We enter into a story of matter at its most wayward deviant hesitant and resistant From asphalt lakes to industrial molasses tanks from liquid crystals squirming in our screens to milk fetishes *The Viscous* discloses gooeyness as a peculiarly modern phase of matter Everything oozes as Beckett's Estragon famously proclaims in *Waiting for Godot* *Viscous* dynamics are exposed as not only hugely various in a post industrial age but particularly useful ways of thinking feeling writing and making in a time of ecological anxiety Freddie Mason is a writer researcher and filmmaker living in London He received his doctorate from the Royal College of art in 2019 on the history and futures of semi states Before *The Viscous* he published *Ada* Kaleh Little Island Press 2016 *Edinburgh Companion to the First World War and the Arts* Ann-Marie Einhaus, 2017-05-24 A new exploration of literary and artistic responses to WW1 from 1914 to the present This authoritative reference work examines literary and artistic responses to the wars upheavals across a wide range of media and genres from poetry to pamphlets sculpture to television documentary and requiems to war reporting Rather than looking at particular forms of artistic expression in isolation and focusing only on the war and inter war period the 26 essays collected in this volume approach artistic responses to the war from a wide variety of angles and where appropriate pursue their inquiry into the present day In 6 sections covering Literature the Visual Arts Music Periodicals and Journalism Film and Broadcasting and Publishing and Material Culture a wide range of original chapters from experts across literature and the arts examine what means and approaches were employed to respond to the shock of war as well as asking such key questions as how and why literary and artistic responses to the war have changed over time and how far later works of art are responses not only to the war itself but to earlier cultural production Key Features Offers new insights into the breadth and depth of artistic responses to WWI Establishes links and parallels across a wide range of different media and genres Emphasises the development of responses in different fields from 1914 to the present *The Japanese Empire Disaster* Jean Sénat Fleury, 2021-01-22 The book demonstrates that even if during the first period of the Shwa era 1931 1945 the real driving force to war was the Japanese military Hirohito as supreme commander gave full support to the army On multiple occasions as an emperor he sanctioned many government policies Accordingly he was responsible for the war and for the atrocities that the Japanese troops committed in Asia during the Pacific War *Japan's Empire Disaster* is a book of information and training a reference document that should be read as an educational tool on the history of the modernization of Japan and the war launched by Emperor Meiji and Hirohito to build Japan Empire in the Pacific and East Asia The book shares the view of the author on Hirohito's responsibility on the events that marked Japan's entry into the war that began when Japanese troops invaded Manchuria on September 19 1931 and culminated with Japan's surprise attack on the U S naval base at Pearl Harbor on December 7 1941 *The Great Cat Massacre - A History of Britain in 100 Mistakes* Gareth Rubin, 2014-05-08 In 1914 a train

pulled into a provincial British railway station The porter a curious chap asked the regiment of soldiers where they were from Ross shire one called down but the porter heard Russia And so began a rumour that led to Germany losing the First World War Often the history we learn at school is only half the story We hear of heroic deeds and visionary leaders but we never hear about the people who turned up late for court and thereby changed the law or who stood in the wrong queue at university and accidentally won a Nobel Prize The Great Cat Massacre A History of Britain in 100 Mistakes demonstrates that the nation is as much a product of error as design Through chapters on religion law culture war science and politics it reveals such things as how an edict from Pope Gregory IX helped spread the Black Death how the sister of cricketer John Willes invented overarm bowling and how had a letter not been lost Disraeli might never have become prime minister This book is history told through human failings schoolboy errors bad luck and extraordinary consequences a history of mishearing misdiagnosis and misinterpretation a history that you won't find in the textbooks

Now the War Is Over Simon Fowler, Daniel Weinbren, 2018-10-30 How did Britain respond to the momentous events of 1919 and 1920 as it adjusted to peace after four years of war What were the challenges the British people faced and how did they cope with the profound changes that confronted them Now the War Is Over seeks to answer these questions It looks at what happened in every sphere of life and it shows how even today we are still dealing with the consequences of those years of transition Across Europe there were revolutions a war for independence occurred in Ireland and on mainland Britain there were widespread race riots However most servicemen simply wanted to come home to their families and a secure job Some hoped for a return to the certainties of a pre war world but this was impossible too much had happened As they explore the troubled state of Britain immediately after the war Simon Fowler and Daniel Weinbren give us a fascinating insight into how the global conflict changed the direction of the nation

Dear Professor Dyson Freeman J. Dyson, 2016 Freeman Dyson has designed nuclear reactors and bomb powered spacecraft he has studied the origins of life and the possibilities for the long term future he showed quantum mechanics to be consistent with electrodynamics and started cosmological eschatology he has won international recognition for his work in science and for his work in reconciling science to religion he has advised generals and congressional committees An STS Science Technology Society curriculum or discussion group that engages topics such as nuclear policies genetic technologies environmental sustainability the role of religion in a scientific society and a hard look towards the future would count itself privileged to include Professor Dyson as a class participant and mentor In this book STS topics are not discussed as objectified abstractions but through personal stories The reader is invited to observe Dyson's influence on a generation of young people as they wrestle with issues of science technology society life in general and our place in the universe The book is filled with personal anecdotes student questions and responses honest doubts and passions

The Guinness Book of Records Peter Matthews, 1993

The Guinness Of Military Anecdotes: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Guinness Of Military Anecdotes eBooks, including some popular titles.

FAQs About The Guinness Of Military Anecdotes Books

What is a The Guinness Of Military Anecdotes PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Guinness Of Military Anecdotes PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Guinness Of Military Anecdotes PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Guinness Of Military Anecdotes PDF to another file**

format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Guinness Of Military Anecdotes PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
