The Angel's Hunger Holley Trent, Cursed by his vengeful ex-lover eight hundred years ago, fallen angel Tamatsu lost not only his voice but much of his considerable power and became consumed by ravenous hungers for food, sex, violence, and other earthly pleasures. Now he's ready to make a deal with his former flame: the return of his voice in exchange for the location of her missing queen. But the Fates have a way of throwing monkey wrenches into the best-laid plans. After so many years outside of the elf realm, the unflinching Noelle isn't sure she can remember what happened to his voice or what made her mad enough to curse Tamatsu in the first place. When the magic tethering the two feuding warriors causes old passions to flare, Tamatsu must decide if being intimate with Noelle again is worth exacerbating his insatiable appetites. And can Noelle truly find a way to make amends with the only person who's capable of balancing her? It's not a match made in heaven, but they could make a hell of a team. — This is a gently revised second edition of a book originally published by Crimson Romance. Simon Schuster.

After Eden (Fallen Angels, Book 1) Katherine Pine, 2013-12-01 Devi knows she shouldn't trust the new employee at her favorite used bookstore. Sure, he's funny, smart, and hands down the sexiest guy she's ever met, but something dark lurks behind his unassuming smile and sinful green eyes. Still, a girl can't always afford to be picky. When an angel abducts your twin brother, it should come as no surprise that the one person who can help you get him back is a demon, and only if you're willing to pay his price. On First Name Terms With Angels Ross Friday, 2007-02-08 On any other night and at any other time, it wouldn't have seemed possible. If it wasn't for the cameras silently rolling in just the right place at just the right time, capturing the devastating and unprecedented scene, nobody would have believed it could happen in such a previously uneventful stretch of road. Even those who were there would have doubted what they saw. It's Christmas Eve in the city. The streets are alive with crowds excitedly bustling below the thousands of fairy lights, and panicking about tomorrow like they didn't know it was coming, whilst others are literally wishing it wouldn't. These total strangers have just one thing in common: that what had been the loneliest night of the year had now become the loneliest night of their lives. Alone and afraid, they sink deeper into their own private chasms until there appears to be only one way out. But when their very different worlds collide, mere coincidences mount until even the most cynical amongst them can only interpret the escalating events as fate, and it's undeniable that miracles can exist: everything happens.
