by Angel was determined to get back on point Although he struggled he worked extremely hard to get back on the road to success Several more setbacks in his life made things even more difficult to carry out his mission but Angel continued to fight Landing a job to help his mother pay the bills was helpful however he was also trying to pay for the much needed surgery as he continues his quest for success His window of opportunity began to close as the months and years began to pass him by The loss of his best friend changed everything and yet he continued to push forward Despite all his troubles he did not give in Angel would stop at nothing to make sure he was going to buy that house for his mother Everything takes a turn for the worst when Angel losses everything His toughness is put through the test like nothing he s ever seen or experienced Life has a way of pushing when we are so close to the edge For Angel this was only the beginning **High on the Hogs** David

series advertisements and comic books of recent decades In *Tough Girls* Sherrie A Inness explores the changing representations of women in all forms of popular media and what those representations suggest about shifting social mores She begins her examination of tough women in American popular culture with three popular television shows of the 1960s and 70s *The Avengers* *Charlie's Angels* and *The Bionic Woman* and continues through such contemporary pieces as a recent ad for Calvin Klein jeans and current television series such as *The X files* and *Xena Warrior Princess* Although all these portrayals show women who can take care of themselves in ways that have historically been seen as uniquely male they also variously undercut women's toughness She argues that even some of the strongest depictions of women have perpetuated women's subordinate status using toughness in complicated ways to break or bend gender stereotypes while simultaneously affirming them Also of interest *Madcaps* *Screwballs* and *Con Women* *The Female Trickster in American Culture* Lori Landay
