No More Bullshit Hilde Larsen, 2017-03-15 Are you searching for the good life for the typical abundance health and happiness In **No More Bullshit** author Hilde Larsen helps you start at the beginning return to the hardcore causes of disconnect and revisit yourself to find the real you and live a life of joy She shows how by awakening to who you really are you're able to let go of everything that's been holding you back By truly connecting with your inner source God and creation you're able to effortlessly flow through life with a renewed passion and enthusiasm **No More Bullshit** discusses that nothing can hold you back if you decide to break free Your truth is stronger than any lie passion is stronger than any disbelief mission is here whether you recognize it or not strengths are unbreakable and ability to change is obsolete Filled with topics of self reflection **No More Bullshit** shares how no matter what life serves you you have the power to adjust grow and change your path No matter where you are today the free will and innate wisdom handed down to you from your ancestors will guide you toward your true path No matter how long it's been since you felt powerful and strong you still are **Stay Hard or Stay**

Stuck - The Unforgiving Law of Progress David Goggins, George Robin, 2025-10-01 Life doesn't reward comfort It rewards grit discipline and the willingness to do what others won't In a world where excuses are easy and distractions are endless there's one brutal truth you can't escape you either stay hard or you stay stuck **Stay Hard or Stay Stuck** is a raw no nonsense guide to breaking past limits and building the toughness required to achieve lasting progress It's not about hacks shortcuts or motivation that fades in a week It's about rewiring your mind and body to push through resistance embrace discomfort and claim the success that only comes to the relentless Inside you'll discover Why comfort is the biggest trap of modern life The mental laws that separate doers from dreamers How to build habits that survive fatigue failure and frustration The role of pain struggle and sacrifice in real growth A proven mindset shift that keeps you moving forward no matter what This book doesn't care about your excuses It cares about results Because the law of progress is simple if you don't harden yourself life will harden you in ways you don't like If you're tired of staying stuck this is the call to arms you've been waiting for

The Plenitude Rich Gold, 2021-06-22 Lessons from and for the creative professions of art science design and engineering how to live in and with the Plenitude that dense knotted ecology of human made stuff that creates the need for more of itself We live with a lot of stuff The average kitchen for example is home to stuff galore and every appliance every utensil every thing is compound composed of tens hundreds even thousands of other things Although each piece of stuff satisfies some desire it also creates the need for even more stuff cereal demands a spoon a television demands a remote Rich Gold calls this dense knotted ecology of human made stuff the Plenitude And in this book at once cartoon treatise autobiographical reflection and practical essay in moral philosophy he tells us how to understand and live with it Gold writes about the Plenitude from the seemingly contradictory but in his view complementary perspectives of artist scientist designer

and engineer all professions pursued by him sometimes simultaneously in the course of his career I have spent my life making more stuff for the Plenitude he writes acknowledging that the Plenitude grows not only because it creates a desire for more of itself but also because it is extraordinary and pleasurable to create Gold illustrates these creative expressions with witty cartoons He describes seven patterns of innovation including The Big Kahuna Colonization which is illustrated by a drawing of The real history of baseball beginning with Play for free in the backyard and ending with Pay to play interactive baseball at home and Stuff Desires to Be Better Stuff and its corollary Technology Desires to Be Product Finally he meditates on the Plenitude itself and its moral contradictions How can we in good conscience accept the pleasures of creating stuff that only creates the need for more stuff He quotes a friend We should be careful to make the world we actually want to live in
