The Palgrave Handbook of International Communication and Sustainable Development Muhammad Jameel Yusha'u, Jan Servaes, 2021-08-29 The Palgrave Handbook of International Communication and Sustainable Development is a major resource for stakeholders interested in understanding the role of communication in achieving the UN Sustainable Development Goals. Bringing together theoretical and applied contributions from scholars in Europe, Africa, the Middle East, Asia, and North America, the handbook argues that communication is a key factor in achieving the global goals and suggests a review of the SDGs to consider its importance. Reflecting on the impact of COVID 19, it highlights the need for effective communication infrastructure and critically assesses the 2030 agenda and timeline. Including individual SDG and country case studies as well as integrated analysis, the chapters seek to enrich understanding of communication for development and propose crucial policy interventions. It is critical reading for researchers as well as policy makers and NGOs.

Making Connections in and Through Arts-Based Educational Research Hala Mreiweh, Mindy R. Carter, Sara Hashem, Candace H. Blake-Amarante, 2023-02-18 This book explores the connections made in and through arts-based educational research through four themes: socially engaged connections, cultural connections, personal and pedagogical connections, and making connections during the COVID 19 pandemic. It emerges from the 3rd bi-annual 2020 Artful Inquiry Research Group symposium on the theme of connections. The symposium brought together artists, community members, teachers, students, and researchers through a virtual platform to examine the ways in which the arts can help connect people, ideas, and spaces in a pandemic reality. Art plays a predominant role in each chapter as authors weave their research and art-based understandings together. This book is a valuable teaching resource for undergraduate and postgraduate courses in teaching anthropology, digital ethnography, autoethnography, cultural studies, and communications. It is of interest to higher education students, academic researchers, and teachers exploring arts-based methodologies in the fields of creative practice and creativity studies, communications, critical studies, sociology, sciences, teacher education, and the arts.
