The Heart Keeps Asking Why:

What the Heart Keeps Kelli McCracken, 2021-12-27 A vengeful soul An ultimate battle A prophecy fulfilled Dylan McBride never imagined he'd turn to darkness until he lost everything His hybrid powers are drawing him to a world he swore to destroy the world of The Fallen Anger fuels his emotions and it's creating a monster not even his Keeper can control His only desire is to gain custody of his daughter and disappear forever but the one person willing to help him is a threat to his own existence Heaven Lewis's nightmare has just begun Though she and Layne have accepted their roles as the reincarnated Sun King and Queen they're far from having their happily ever after The Fallen have grown in numbers and they're planning to conquer both humans and Psi in a sadistic post-apocalyptic world Time is running out but Heaven is no closer to learning how to defeat them Still reeling over his heritage Layne Perry fears he'll follow his family's same tragic path into darkness something Heaven assures him she'll never let happen He and his queen hold the key to restoring the balance of good and evil But even as the most powerful pyrokinetic his abilities won't help him with his toughest battle yet facing Dylan the man who wants Layne and Heaven dead the man Layne also calls brother As the final battle looms Dylan Heaven and Layne have demons to face and painful choices to make but who will be the final victor What the Heart Keeps is a paranormal romance filled with suspense soulmates and supernatural twists If you like mystical worlds larger than life characters and captivating stories of good versus evil you'll enjoy this epic tale of love light and darkness [The Wisdom of Aramis](#) Elia Pekica

Where the Moon Keeps Her Heart Isa Ingram, Noelle Ingram, 2025-09-16 Fj rna is shy quiet sensitive She is different She tucks into the spaces inside herself and in the woods to breathe And yet she is stronger than she has any idea She has a kind of magic that is subtle and so powerful it will strike fear in those around her but she does not know it yet And doesn't magic always strike fear in those who need to understand their world and to control it Fj rna has a voice a fire blazing in her heart to honor and protect her kind but she doesn't know that yet either All Fj rna knows is the rolling hills and vast orchards of the farm and the little horseshoe town by the sea she calls home The only home she has ever known Fj rna has a secret It is in the very fabric of her being and once she discovers it she cannot unsee she cannot unknow She cannot go back to that quiet girl by the sea Fj rna does not long for great battles and great adventure But great adventure will find her Fj rna cannot know she has a destiny She is too busy trying to find the words with which to share her heart or being conscious of all the ways she is different Could a simple quiet girl be the answer to the question asked on the wind in the trees in the silent confused places in the hearts of all people When Fj rna finds her magic and opens her heart the world will change subtly at first and then with a force no one sees coming least of all her And Fj rna will learn that what makes her different may be the only hope for her kingdom
