The Hebrew Passover From Earliest Times To Ad 7:

Nick Page: The Longest Week, The Wrong Messiah, Kingdom of Fools Nick Page, 2018-03-08 Essential reading enlightening and informative you will be sure to learn something new Church of England Newspaper In this illuminating read Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels Drawing on a wealth of historical and archaeological research the result is a startling and vivid new portrait of Yeshua ben Yosef Jesus of Nazareth **Joshua 1-12, Volume 7A** Trent C. Butler, 2017-10-10 Trent C Butler s excellent commentary on Joshua is updated and revised This new edition takes into account the most recent scholarly work on the book of Joshua The commentary includes Butler s translation of the text explanatory notes and commentary to help any professor student or pastor with research and writing Features include solid biblical scholarship for teachers pastors and students updated bibliography commentary for deeper study thorough coverage of the biblical languages close analysis of ancient manuscripts of Joshua The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture **The Longest Week** Nick Page, 2010-02-18 What really happened during Jesus final days It was historically speaking nothing much a death in Jerusalem a routine execution at the edge of an empire Yet that execution and the events surrounding it were to have a profound effect on the history of the world The last week of Jesus life on earth was probably the most important week in history This book aims to reconstruct the events of those days From Jesus entry to Jerusalem on the Sunday to his resurrection a week later this book explores the claims and explode the myths It looks seriously at the evidence of the gospel accounts without ducking the controversies and contradictions It focuses on the history rather than the spiritual and theological significance of events and uses archaeological research and detailed Biblical analysis to take the reader through THE LONGEST WEEK *The Eerdmans Dictionary of Early Judaism* John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation **Hezekiah in History and Tradition** Robb Andrew

Young,2012-05-03 This study draws upon the biblical books of Kings First Isaiah and Chronicles in conjunction with Assyrian records and ancient Near Eastern archaeology in order to provide an updated historical reconstruction of the influential Judean monarch Hezekiah

Everything You Need to Grow a Messianic Yeshiva Dr.Phillip Goble,1981 **Prophets, Prophecy, and Ancient Israelite Historiography** Mark J. Boda,Lissa Wray Beal,2013-01-18 The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy A deep divide exists between the traditions of historiography and prophecy in the academic study of the Hebrew Bible and the concern of the contributors is to close that gap to expose the close relationship between these two traditions in the literature of the Hebrew Bible The first section of the book explores prophecy and prophets in ancient Israelite and Jewish historiographic books Torah Deuteronomistic History Chronicles Ezra Nehemiah Second Temple Jewish historiography The second section surveys historiography in Israelite and Jewish prophetic books Isaiah Jeremiah Ezekiel Book of the Twelve Daniel 1 Enoch The contributors engage diverse methodological perspectives in these studies the goal first being to show the role that the prophets played within the great Hebrew historiographic works and second to demonstrate the role that historiography plays within the great Hebrew prophetic works this makes it clear that the influence is bidirectional Prophets Prophecy and Ancient Israelite Historiography will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelite and Jewish traditions featuring the best of research and analysis and interacting with many major ancient literary traditions of historiography and prophecy
