The Hidden Mystery of the Bible Jack Ensign Addington, 1969-06-01 The Bible is the most important book ever published It has had more influence on history and affected more lives than any other book It divides nations and unites cultures Some people read the Bible for its literal meaning while others read it for the implied meaning To this day it continues to shape the heart soul and minds of individuals generations and societies worldwide How can this controversial and profound book be the answer to the problems of the world The first step is to look at how we perceive the Bible is it a history book or guide book For centuries people have viewed the Bible as a bridge to the past describing how humanity lived survived and died while in truth it is actually shining the Light of Truth onto our present day living to help us meet our personal and social problems New Thought writer Jack Ensign Addington believes that once you discover the hidden meaning of the Bible an infinite source of wisdom will be illuminated and revealed *The Hidden Power of the Bible* Ernest Holmes, 2006-08-03 The inspiration of Ernest Holmes has reached hundreds of thousands of readers through his classic works many of which are just now becoming available in paperback Originally published in 1929 as *The Bible in Light of Religious Science* this exegesis on the hidden lessons of some of Scripture s best known verses has been largely unavailable and even unknown since the 1940s Indeed this edition comes as a brand new work to the many readers of Ernest Holmes It is fully reset and redesigned published for the first time with an index and includes a new preface to frame the book for the contemporary reader *The Hidden King James Bible* Deane Kogelschatz, 2003-02-18 Sex violence cruelty and a fair and just God who punishes others for what someone else has done are some of the subjects covered in *The Hidden King James Bible* What The Translators didn t Want You to Know From the Creation performed by the seven Elohim in the first book of Genesis to The Revelation the only book of the KJV Bible directly created by God and untouched by man this book exposes the translating secrets used by the King James Translators to hide ancient Hebrew belief systems from the Christian world Textual differences duplications as well as moral codes of the day provide an entertaining and enlightening insight as to the value systems of these ancient peoples and their motivations *The Hidden King James Bible* will certainly provide an eye opening experience and insight not only into the Ancient Hebrews but as to how our present Day Christian belief systems have been molded and guided in secret ways without our knowing *THE HIDDEN SECRET OF GOD The Bible Decoded* by Neville Goddard Neville Goddard, ALIO Publishing Group, 2023-06-15 THE HIDDEN SECRET OF GOD IS ESSENTIAL READING FOR EVERY SEEKER AND STUDENT OF SPIRITUALITY You see we exist in physical bodies but we live in imagination Whatever you desire believe that you have received it and you will That s the law Rarely has ancient wisdom been rendered so accessible This is a collection of teachings adapted from the lectures of Neville Goddard one of the greatest modern metaphysical teachers of biblical principles scripture Anyone can gain powerful insights by following Neville s practical manner of making even the most complicated matters clear for all faiths Possessed of a self educated and uncommonly sharp intellect Neville Lancelot

Lalleman,2024-09-12 The Secret Astrology of the Bible Michael Ledo,2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text expanded as time went on If readers stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible *The Bible's Amazing Hidden 2%* William L. Wagner,2021-04-12 My background is that I am a licensed civil engineer a pastor a professor of theology a university president and a missionary As a young theology student reading the Bible I found many verses of Scripture that I could not fully understand In going to commentaries and speaking with professors I did not receive the answers that I was looking for This book is an attempt to look at many of the problem areas of the Scriptures and to find the reasons why they appear in the Bible I found that only about 2 percent of the Bible begins to open the door to the real meanings of heaven hell eternity angels demons etc This 2 percent is important for us to correctly realize that God does not expect us to understand more than what He has given in His Word Our Heavenly Father has revealed to us what we need to know while here on earth The Bible begins with creation and ends with the final judgment Above us is heaven and below us is hell This book gives a diagram which shows us the area of interest in his revealed Word What exists outside of this area of revelation is unknown to us because God decided not to reveal all to us Much of my ministry has been working with university students in many countries They often look at these problem scriptures and need good answers but seldom get them such as the whole concept of creation Realizing that the Bible is not a book of science but a book that shows us how to live I feel that there is a good explanation that students can and will accept I am convinced that it will never be possible for us to fully understand all of

God's Word but in looking at these problem verses and understanding why they have been given we come to the conclusion that much of the Bible will never be truly understood while we live here on earth. However, many of these verses open the door to even a greater understanding and that is for us to know how truly great our God is. The Hidden Creator Hilton Hotema, 1996-09-1961 the world wants to know who, what, and where is the Creator. Ages of searching by great men have failed to find Him. If there is a Creator, it should be possible to locate Him. If there is none, then there is no answer to the question, "What Power?" **The Hidden Wisdom in the Holy Bible: The golden grain of wisdom in the Book of Genesis (Genesis- chapters twenty-five to fifty)** Geoffrey Hodson, 1970 *The Hidden Bible* John P. Scott, 2013-10 This is a new release of the original 1935 edition.
