

THE OUTLAW YEARS

THE HISTORY OF THE LAND PIRATES OF THE NATCHEZ TRACE

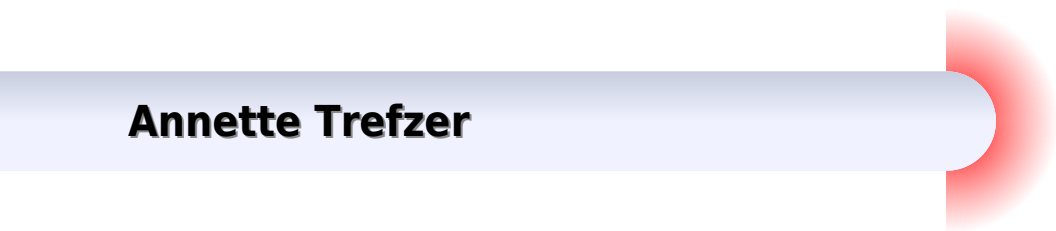

Robert M. Coates

Foreword by John D. W. Guice

The Outlaw Years The History Of The Land Pirates Of The Natchez Trace

Annette Trefzer

The Outlaw Years The History Of The Land Pirates Of The Natchez Trace:

The Outlaw Years Robert Coates,2010-09-23 The years just before 1880 until about 1885 are considered the outlaw years when lawlessness developed a law of its own and planned an empire Operating along the Natchez Trace an overland trading and postal rider route that in places was barely a trail the outlaws preyed upon the traffic along this line Their plans were laid in the dives under the bluffs of the river towns Natchez and Vicksburg and as far south as New Orleans By far the bloodiest were the Harpes who were capable of spectacular murders solely to amuse their comrades Another gang of outlaws under John Murrell even threatened national stability for a time in his plot to steal slaves and organize insurrection in order to disorganize the government and establish his own state This conspiracy was discovered and defeated by a store clerk who joined the outlaws and lived several perilous months among them He was almost hung by Murrell s secret partisans among the respectable elements After the overthrow of the outlaw empire in 1885 the scene shifted the frontier advanced outlaw violence changed its forms but it never again reached the terrible and magnificent range of the outlaw years **The Outlaw**

Years; the History of the Land Pirates of the Natchez Trace Robert M (Robert Myron) 189 Coates,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Outlaw Years**

Robert Myron Coates,1989 [The Outlaw Years the History of the Land Pirates of the Natchez Trace](#) Robert M.

Coates,2013-10 This is a new release of the original 1930 edition [The Outlaw Years](#) Coates,1986 *The Outlaw Years The History of the Land Pirates of The Natchez Trace* Robert Coates,2025-06-20 Between 1800 and 1825 the Natchez Trace was more than a frontier highway it was a corridor of terror ruled by ruthless outlaws bandits and murderers In *The Outlaw Years* Robert Coates brings to life one of the darkest and most violent episodes in early American history This gripping narrative chronicles the rise and fall of the notorious land pirates who preyed on travelers between Nashville and Natchez forging an underground world of vice violence and lawlessness in the wilderness of the Old Southwest At the heart of the story stands the infamous John Murrell a charismatic yet sinister figure known as the Great Western Land Pirate Coates traces his criminal empire built on theft deception and murder and reveals how he and his fellow outlaws exploited a fragile frontier society to their advantage Drawing from original records court documents and vivid anecdotes the book paints a rich picture of frontier justice crude settlements and the dangerous life of early American travelers Both a true crime saga and a

historical exploration *The Outlaw Years* immerses readers in an era when the line between civilization and savagery was perilously thin Coates's vivid storytelling and meticulous research offer a compelling look at a time when fear ruled the road and justice came at the end of a rope *Disturbing Indians* Annette Trefzer, 2007 *Disturbing Indians* describes how William Faulkner Eudora Welty Andrew Lytle and Caroline Gordon reimagined and reconstructed the Native American past in their work **Eudora Welty and Surrealism** Stephen M. Fuller, 2013 A study of the profound influence of surrealism on the writer's craft *The Man Who Punched Jefferson Davis* Ben Wynne, 2018-11-07 Regarded as one of the most vocal well traveled and controversial statesmen of the nineteenth century antebellum politician Henry Stuart Foote played a central role in a vast array of pivotal events Despite Foote's unique mark on history until now no comprehensive biography existed Ben Wynne fills this gap in his examination of the life of this gifted and volatile public figure in *The Man Who Punched Jefferson Davis: The Political Life of Henry S. Foote, Southern Unionist* An eyewitness to many of the historical events of his lifetime Foote an opinionated native Virginian helped to raise money for the Texas Revolution provided political counsel for the Lone Star Republic's leadership before annexation and published a 400 page history of the region In 1847 Mississippi elected him to the Senate where he promoted cooperation with the North during the Compromise of 1850 One of the South's most outspoken Unionists he infuriated many of his southern colleagues with his explosive temperament and unorthodox ideas that quickly established him as a political outsider His temper sometimes led to physical altercations including at least five duels pulling a gun on fellow senator Thomas Hart Benton during a legislative session and engaging in run-ins with other politicians notably a fistfight with his worst political enemy Jefferson Davis He left the Senate in 1851 to run for governor of Mississippi on a pro Union platform and defeated Davis by a small margin Several years later Foote moved to Nashville was elected to the Confederate Congress after Tennessee seceded and continued his political sparring with the Confederate president From Foote's failed attempt to broker an unauthorized peace agreement with the Lincoln government and his exile to Europe to the publication of his personal memoir and his appointment as director of the United States mint in New Orleans Wynne constructs an entertaining and nuanced portrait of a singular man who constantly challenged the conventions of southern and national politics **Stephen Vincent Benét** David Garrett Izzo, Lincoln Konkle, 2025-10-04 When Stephen Vincent Benét died in 1943 at the age of 44 all of America mourned the loss Benét was one of the country's most well known poets of the first half of the twentieth century and as a fiction writer he had an even larger audience This book is a collection of essays celebrating Benét and his writing The first group of essays addresses Benét's life times and personal relationships Thomas Carr Benét reminisces about his father in the first essay and others consider Benét's marriage to his wife Rosemary Archibald MacLeish Thornton Wilder and Benét as friends liberal humanists and public activists and his friendships with Philip Barry Jed Harris and Thornton Wilder The second group contains essays about Benét's poetry fiction and drama They discuss Benét's role in the development of historical poetry in America John Brown's Body and the Civil War Hawthorne Benét

and historical fiction Ben t s Faustian America the adaptation of The Devil and Daniel Webster to drama and then to film Ben t s use of fantasy and science fiction and Ben t as a dramatist for stage screen and radio
