

THE OX-BOW INCIDENT

Walter Van Tilburg Clark

This is a searing study of mob justice. The story takes place in the Old West, but it could happen anywhere, anytime that men of action let their anger goad them into taking the law into their own hands. Published in 1946, this powerful narrative was immediately hailed as a work of art. "*The Ox-Bow Incident* is a triumph of restraint and workmanship. . . . The tension that builds and eddies and comes back stronger is beautifully geared to the temper of each central character and the shifting emotions of the mob, as doubt, anger, stubbornness, physical cold, pity and revulsion hold them in turn," said Max Glison in the *New Republic*. Ben Ray Redman described it in *The Saturday Review* as "A sinewy, masculine tale that progressively tightens its grip on the reader." And Clifton Fadiman summed up the verdict of all the critics when he called this modern classic "a masterpiece."

Walter Van Tilburg Clark

The Ox Bow Incident Signet Classic:

The Ox-Bow Incident Walter Van Tilburg Clark, 1968 Presents the cruelty and misery of life in the early West **The Ox-bow Incident** Walter Van Tilburg Clark, 1963 **The Ox-Bow Man** Jackson J. Benson, 2006-07-27 Walter Van Tilburg Clark author of the classic novel *The Ox Bow Incident* was one of the West's most important literary figures a writer who contributed mightily to the tradition of viewing the West realistically and not through the veil of myth and romance As a comparatively young man he published three novels and a collection of short stories then remained almost silent for the rest of his life the victim of a paralyzing case of writer's block Now Jackson J Benson one of the country's foremost literary biographers has produced the first full length biography of this brilliant enigmatic and ultimately tragic figure Based on widely scattered sources personal papers and correspondence interviews with family members friends and others and Clark's unpublished stories and poems Benson's biography focuses on Clark's intellectual and literary life as a writer teacher and westerner Benson masterfully balances his engaging account of the experiences people and settings of Clark's life with a penetrating examination of his complex psyche and the crippling perfectionism that virtually ended Clark's career as well as offering up a thoughtful assessment of Clark's place in Western writing In these pages Clark lives again a warm complex and ultimately anguished human being Benson's remarkably astute and sensitive biography is destined to be the book that readers and researchers consult first for information about this major western writer **The Western** Jeffrey M. Wallmann, 1999 Wallmann's sweep through the western is a careful incisive and blessedly non theoretical examination of the implications of the western from the beginning to the present taking the reader deep into the heart of the subject and offering original and perceptive theories of how the western reflects the evolution of America **BOOK JACKET** *Lynching and Vigilantism in the United States* Norton Moses, 1997-02-25 Beginning with the 1760s when lynching and vigilantism came into existence in what is now the United States this bibliography fills a void in the history of American collective violence It covers over 4 200 works dealing with vigilante movements and lynchings including books articles government documents and unpublished theses and dissertations Following a chapter listing general works the book is arranged into four chronological chapters a chapter on the frontier West a chapter on anti lynching and chapters on literature and art The book opens with a chapter devoted to general works It then includes chapters on the period from the Colonial era to the Civil War the Civil War through 1881 and the periods from 1882 to 1916 and 1917 to 1996 The work then turns to the frontier West and to anti lynching bills laws organizations and leaders Finally the book includes chapters on vigilantism in literature and art *Making Movies Black* Thomas Cripps, 1993 Surveys the involvement of Blacks in the American cinema from World War II to the 1950s discussing the attention to black life in films such as *Cabin in the Sky* *Pinky* and *Intruder in the Dust* It also depicts the rise of black film stars such as Sidney Poitier **What Happens Next?** Bruce L. Taylor, 2023-02-08 Bruce Taylor's latest volume of sermons for the Common Lectionary Revised compiles traditional and story form proclamations for

the Sundays and feast days from Advent through Eastertide in Year B of the three year lectionary cycle Theologically rich sacramentally sensitive and ecumenically minded these biblically centered sermons articulate God's love for the whole creation the profound implications of discipleship and the necessity of Christian unity Like its predecessors in Taylor's first and second journeys through the lectionary *What Happens Next* is intended for use by preachers educators seminary students and devotional readers who will all find it to be a welcome companion in penetrating the spiritual genius of the liturgical year and the usefulness of preaching from common texts The book exemplifies how preaching from Mark's Gospel and the accompanying lectionary readings can shape interaction with the elements of the liturgy to encourage faithful Christian worship The very uniqueness of Mark among the Gospels is elicited to prompt the whole church and each believer to respond to the question posed implicitly but insistently by the women's discovery of the empty tomb on Easter morning *What happens next*
