The Packer Affair:

The Packer Affair Henry Blofeld,1978 **The Best Loved Game** Geoffrey Moorhouse,2013-07-18 It is now thirty five years since Geoffrey Moorhouse wrote his cricket classic The Best Loved Game which also seems unimaginable but only because it feels like last week Even so in that time the game has changed in many respects beyond recognition which makes the book more valuable than ever as an elegy for a lost world Matthew Engel in his new Preface Geoffrey Moorhouse spent the summer of 1978 sampling cricket at every level from Eton v Harrow to the Lancashire League from Cambridge undergraduates getting a lesson from Zaheer Abbas to Ian Botham excelling with bat and ball at Lord s from a farmer s boy making an unbeaten 24 at an Oxfordshire village match to the incomparable clowning of Derek Randall at Trent Bridge Surely destined to rest beside the finest works of this nature in the library of cricket David Frith Wisden Cricket Monthly

The Bedders Alan Hill,2012-01-06 Sporting twins Alec and Eric Bedser are a remarkable duo From humble origins at Woking to their reign as key members of the Surrey team during the magnificent succession of seven championships in the 1950s they share a rare and precious relationship The Bedders is Alan Hill s engrossing study which explores the puzzles of their identical twinship Alec Bedser was England s bowling standard bearer in the years following the Second World War His exceptional strength and prowess yielding almost 1 924 wickets including 236 in 51 Tests He was at the peak of his powers in the 1953 series against Australia when his aggregate of 39 wickets beat the previous record held by Maurice Tate It included match figures of 14 wickets for 99 runs at Nottingham a feat only surpassed against Australia by Wilfred Rhodes Hedley Verity and Jim Laker High among his other distinctions was his record against Don Bradman whom he dismissed on eight occasions After retirement Alex maintained his connection with cricket in fulfilling administrative duties which included a record term as Chairman of the Test selectors Knighted in 1997 for his services to cricket he is the only English bowler to receive the honour **Packer Alumna** ,1922 **Myths and Milestones in the History of Sport** S. Wagg,2011-11-29 The

conventional history of sport as conveyed by television and the sports press has thrown up a great many apparent turning points but knowledge of these apparently defining moments is often slight This book offers readable in depth studies of a series of these watersheds in sport history and of the circumstances in which they came about **The People's Team** Mark

Beech,2019 The Packers the only fan owned team in any of North America s major pro sports leagues and Green Bay population 104 057 is the smallest city with a big time franchise They re unlikely candidates to be pro football s preeminent team yet nobody in the NFL has won more championships In honor of the team s 100th anniversary Beech paints compelling pictures of a franchise a town and a fan base from the days of the French fur traders who settled on the shores of La Baie in the seventeenth century to the team s pursuit of its fourteenth NFL championship adapted from jacket **Wisconsin**

Grovel! David Tossell, 2012-05-11 When England cricket captain Tony Greig announced that he intended to make the West Indies grovel he lit a fire that burned as intensely as the sunshine of Britain's long hot summer of 1976 Spurred on by what they saw as a deeply offensive remark by a white South African Clive Lloyd's touring team made Greig pay through the exciting batting of Viv Richards and the frightening pace of bowlers Michael Holding and Andy Roberts *Grovel* provides a fascinating study of the events and social issues surrounding one of the sport's most controversial and colourful tours Runner up in Best Cricket Book category at both the British Sports Book Awards and Cricket Society Book of the Year Forthright foreword by Tony Greig in which he addresses one of the most infamous comments in cricket history Featuring interviews with key figures from English and West Indian cricket Addresses all the vibrant sporting storylines of the series while examining the darker undercurrent that existed in a period of ongoing racial tension around the country Traces the origins of the great West Indies team of the 1970s and 80s which featured in the film *Fire of Babylon*
