God. (A Lenten Course of Sermons Preached at Westminster Cathedral in 1947 ... and ... The Sorrow of God ... an Aquinas Paper.). Gerald Vann, 1947 **The Trinity and the Kingdom** Jürgen Moltmann, 1993-09-01 An excellent introduction to the prophets and the prophetic literature The goal of the book is to understand the thought of the prophets in their historical contexts and to communicate that understanding for our time Its approach while innovative builds upon the best of contemporary analysis of the prophetic literature Gene M Tucker Candler School of Theology Emory University Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap He displays the individuality of each prophet with perceptive insight but he also compares and interrelates them in his various summaries Furthermore Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades Bernhard W Anderson Princeton Theological Seminary Of Passion and Folly Patricia McCarthy, 1998 Love your enemies and pray for those who persecute you Jesus words are clear Yet for centuries we have made exceptions to this command to love and to practice peace we seek the goal of peace but avoid the means of peace Of Passion and Folly helps us move from merely desiring peace to deliberately choosing peace **The End**

of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr's pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the

victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love *Fidelity of Heart* James E. Gilman, 2001-01-25 What does it take to follow and not merely admire Jesus How do religious affections reshape the practice of Christian values like love peace justice and compassion How can they possess both universal truth and local meaning What role can they play in public life In *Fidelity of Heart* Gilman answers these questions while showing in an innovative and provocative approach how Christians can practice these values in ways continuous with the life of Jesus *Kierkegaard's Influence on Theology: German Protestant theology* Jon Bartley Stewart, 2012 Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times
