The Idols Will Fall: The Story of the Seven Sleepers of the Cave Muhammad Saeed Bahmanpour, 2009-01-01 Maximilian and his friends are living a double life posing as royal counsellors for the despotic pagan governor of Roman Philadelphia present day Jordan while secretly spreading the outlawed religion of Jesus of Nazareth As their brethren fall victim to torture and murder their situation becomes more and more dire until they take a daring step that sends shockwaves throughout the whole Roman Empire Although they are forced to flee nonetheless their story lives on as generation after generation carry on their epic battle and an unimaginable miracle changes their world forever *The Idols Will Fall* is a unique presentation of the miraculous story of these young men referred to both in Christian historical literature and in the Qur'an This is the story of the Sleepers of the Cave *King Bramble. Jotham's Parable applied to the fall of the Emperor [Napoleon III.]. A sermon [on Judges ix. 8-15], etc* Edwin Paxton HOOD, 1870 *Cliffs of Fall* John Dominic

Crossan,2008-03-01 When John Dominic Crossan s book *In Parables The Challenge of the Historical Jesus* was published in 1973 it was heralded as a major development in research both on the parables and on the historical Jesus This was due not only to its sophisticated use of historical literary and philosophical disciplines but also to the sensitive way in which they were combined and to the novel insights that resulted when this combination was focused on individual parables The present book continues most directly and explicitly the study initiated by *In Parables* and may be regarded as bringing that earlier volume up to date on three major issues Conceptually the emphasis on metaphor from *In Parables* has led to the discussion of polyvalence or semantic pluralism in Jesus s parables Pluralistic meaning is an intensely paradoxical concept and it raises issues that touch the very roots of our consciousness and our reality Metaphor is now no longer a clearing within the forest of language but is rather the very ground of that language itself Any given metaphor illumines and reveals the radical metaphoricality of all reality Philosophically the question is raised whether the polyvalence inherent in metaphor along with the critically iterated claims for its untranslatability may be better explained as a surplus of meaning or as an absence of the meaning a refusal of canonical meaning which is then the necessary but negative basis for the plurality of meanings and the abiding fecundity of interpretations Exegetically as specific example and deliberate narrational metaphor of the entire book Jesus s serenely pastoral parable of the Sower with its specified triad of gains its plurality or polyvalence both of failure and success is centrally discussed as textual focus for the volume *the sources of the doctrines of the fall and original sin*

Frederick Robert Tennant, **The Fall of Jerusalem and the Christian Church** S. G. F. Brandon,2010-06-01 What lies between the authoritative preeminence of the Mother Church of Jerusalem and the virtual extinction both of its life and apparently of all its local records Dr Brandon finds that the full significance of the fall of Jerusalem in AD 70 has been strangely neglected amongst scholars In this original and exhaustive study he shows that this catastrophic event was of profound importance not only for the development of early Christianity but possibly also for its very survival Besides an ordered survey of other ancient historians this book demonstrates an extensive study of New Testament origins and many will find special interest in the light it throws upon the origin and purpose of canonical works This book faces serious problems of New Testament study that have generally been too easily dismissed and it makes a definite and original contribution towards their solution *The Sources of the Doctrines of the Fall and Original Sin* Frederick Robert Tennant,1903 *Homely Thoughts on the Parables of the Tree of Good and Evil and of the Tree of Life* John Coutts,1913
