The Parent Trap:

The parent trap , What if you spent your whole life wishing for something you didn't know you already had Hallie Parker and Annie James are about to find out From Walt Disney Pictures and the creators of Father Of The Bride comes the hilariously fresh and contemporary retelling of the classic hit THE PARENT TRAP Hallie is a cool girl from California Annie is a fair rose from London When the two accidentally meet at summer camp they think they have nothing in common except they're identical twins both played by LINSAY LOHAN Now they're up to their freckles in schemes and dreams to switch places get their parents DENNIS QUaid and NATASHA RICHARDSON back together and have the family they've always wished for This heart warming and delightfully clever comedy adventure will enchant your entire family *The Parent Trap* Jasinda Wilder,2021-08-10 He was my worst enemy He spent every waking moment devising fresh new ways of torturing me No one has ever been able to make me cry like Matthais Bristow my twin brother's best friend and the person on this planet I hate most Then he left for college and I was free of him For ten blessed years I was free of his torture Now he's back and he owns half of the family business I spent my entire life preparing to take over Is this going to be a new round of his old favorite game Make Delia McKenna Cry or am I to believe he's actually come back with good intentions **The Parent Trap** Darnelle Berry,2020-07-24 When two pre-teens named Hallie and Annie meet through their summer camp their two lives are rattled when they realize that they are identical twins With parents British mother aka famous dress designer Elizabeth and American father a wine maker named Nick living in two different sides of the universe the girls decide to make an identity swap in hopes of spending time with their other parent The girls later choose to aware their guardians of the swap while at a hotel in San Francisco which late reunites the divorced pair and sends them back into remarriage with each other **The Parent App** Lynn Schofield Clark,2013 New technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges Clark argues that families experience digital and mobile technologies in their children's lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged Based on over ten years of interviews hundreds of parents and children The Parent App explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need *The Parent Trap* Erich Kästner,2025-08-19 The book behind the world famous film in a new translation by Anthea Bell Gorgeous cover and package design presents a perfect collectible classics library for young readers Luise has ringlets Lottie has braids Apart from that they look exactly the same But they are sure that they have never set eyes on each other in their lives When the two girls meet at a summer camp and discover the secret behind their similarity they decide to switch places Everyone is fooled apart from the dog and despite a few mistakes and misadventures everything goes to plan for Luise as Lottie and Lottie as Luise until their father meets a young beautiful woman and things start to unravel Funny moving affectionate and improbable The Parent Trap has twice

been adapted for film but the book remains one of the great classics of German children's literature *The Parent Trap*
 ,1968 The Parent Trap Lee McKenzie,2014-10-01 The trap is set Single mom and successful boutique owner Sarah
 Stewart didn't have room in her life for a pet let alone a man With a teenage girl to raise and a business to run she couldn't
 do anything more than look at Jonathan Marshall the single and singularly good looking man who just moved in next door
 with a teenage daughter of his own Still since their girls would be classmates it made sense to make friends But that was as
 far as it could go Despite the best efforts of some teenage matchmaking Sarah wasn't giving in Because she just isn't ready
 to put her heart on the line again Walt Disney's The Parent Trap ,1961 *Mary-Kate and Ashley Olsen* Stephanie
 Fitzgerald,2006 Presents a short biography of Mary Kate and Ashley Olsen chronicling their childhood their entrance into
 show business at the age of nine months and later film roles their family and more **Nancy Meyers** Deborah
 Jermyn,2017-07-27 Nancy Meyers is acknowledged as the most commercially successful woman filmmaker of all time
 described by Daphne Merkin in The New York Times on the release of *It's Complicated* as a singular figure in Hollywood she
 may in fact be the most powerful female writer director producer currently working Yet Meyers remains a director who
 alongside being widely dismissed by critics has been largely absent in scholarly accounts both of contemporary Hollywood
 cinema and of feminism and film Despite Meyers impressive track record for turning a profit including the biggest box office
 return ever achieved by a woman filmmaker at that time for *What Women Want* in 2000 and a multifaceted career as a writer
 producer director dating back to her co writing *Private Benjamin* in 1980 Meyers has been oddly neglected by Film Studies
 to date Including Nancy Meyers in the Bloomsbury Companions to Contemporary Filmmakers rectifies this omission giving
 her the kind of detailed consideration and recognition she warrants and exploring how notwithstanding the challenges
 authorship holds for feminist film studies Meyers can be situated as a skilled auteur This book proposes that Meyers box
 office success the consistency of style and theme across her films and the breadth of her body of work as a writer producer
 director across more than three decades at the forefront of Hollywood thus importantly bridging the second third waves of
 feminism make her a key contemporary US filmmaker Structured to meet the needs of both the student and scholar Jermyn's
 volume situates Meyers within this historical and critical context exploring the distinctive qualities of her body of work the
 reasons behind the pervasive resistance to it and new ways of understanding her films
