Black Nihilism and Antiblack Racism Devon R. Johnson, 2021-11-04 This is an innovative work in Africana philosophical thought that links the phenomenon of nihilism in black America in particular black American youth to modern traditions of Western philosophy Black Nihilism and Antiblack Racism engages defining themes of black existential life by offering a framework for considering the relationships between antiblack racism pessimism nihilism weakness strength maturity freedom and hope in the 21st century This book readdresses themes popularly raised by Cornel West in 1994 regarding the nature causes evaluations diagnoses and prognoses of what has been called nihilism in black America Black Nihilism and Antiblack Racism seeks to recontextualize discussions of nihilism and its possibilities for American cultural life As a result this book bears important questions offers unique analyses and suggests radical responses that are relevant for studies of black life and theories of justice in twenty first century America

Hatred for Black People Shehu Sani, 2013-11 In the Arab nation of Libya black migrant workers were targeted killed maimed and raped in a pogrom that ensued in the aftermath of the NATOaided revolution The nation of Mauritania stripped the black population of their citizenship The State of Israel rounded up sub Saharan blacks and deported them as illegal immigrants Black football players in Ukraine had banana thrown at them by racist fans In Italy a black footballer protested being called a monkey Black pupils like Damilola Taylor in Britain are often targeted and hacked with knives Argentine black populations have disappeared in history In 1988 in Hohai University China a riot broke out against black people because they are dating Chinese girls with Chinese students shouting kill the black devils Black students in India risk life in a denied culture of racism In the United States from Rosa Parks to Trayvon Martins a racist free society is still a dream This book investigates and reveals the art the culture the politics the science the sociology the psychology and the hypocrisy of the resentment against black people in a world that is said to be civilized Why are black people so hated What are the scientific cultural and historical factors that informed such negative perception and despicable mentality The book navigates the mind set of those who think to be black is to be cursed whether as individuals a state institutions or an organization Despite all the enormous achievements and advancements in all fields of human endeavors recorded by man despite all the universal and natural values of freedom fundamental rights and democracy as proclaimed by man people of black colour are still despised disrespected and perceived differently This book tries to exclusively dig out the truth and present it bare

The Existence of the Mixed Race Damnés Daphne V. Taylor-Garcia, 2018-06-20 The Existence of the Mixed Race Damns is an interdisciplinary and intersectional study of the mixed race subject in the Americas and the rise of oppositional consciousness with a consideration of not only race but also colonialism Daphne V Taylor Garcia examines the construction of race gender and class in coming to an oppositional consciousness as a Spanish colonial subject in the Americas Spanning the early foundations of knowledge production about colonial racial subjects and connecting to contemporary debates on Latinxs and racialization the book takes up the terms

through which first person perceptions of precarity and class mixed race existence and gendered power relations are constructed The Existence of the Mixed Race Damn s ends with a response to the current scepticism towards organizing as people of color through a decolonial redefinition of the damn s that centers a critique of anti black racism and colonial relations

Black Intellectual Thought in Education Carl A. Grant, Keffrelyn D. Brown, Anthony L. Brown, 2015-09-25 Black Intellectual Thought in Education celebrates the exceptional academic contributions of African American education scholars Anna Julia Cooper Carter G Woodson and Alain Leroy Locke to the causes of social science education and democracy in America By focusing on the lives and projects of these three figures specifically it offers a powerful counter narrative to the dominant established discourse in education and critical social theory helping to better serve the population that critical theory seeks to advocate Rather than attempting to rescue a few African American scholars from obscurity or marginalization this powerful volume instead highlights ideas that must be probed and critically examined in order to deal with prevailing contemporary educational issues Cooper Woodson and Locke s history of engagement with race democracy education gender and life is a dynamic demanding and authentic narrative for those engaged with these important issues
