The Patriarchs Of Israel:

The Patriarchs of Israel John Marshall Holt, 1964 **ISAAC AND JACOB, THE PATRIARCHS OF ISRAEL** GODSWORD GODSWILL ONU, **The Promise to the Patriarchs** Joel S. Baden, 2013-02-19 The promise of land and progeny to the patriarchs Abraham Isaac and Jacob is a central recurring feature of the Pentateuch From the beginning of the story of Abraham to the last moment of Moses s life this promise forms the guiding theological statement for each narrative Yet literary and historical inquiries ascribe the promise texts to a variety of sources layers and redactions raising questions about how the promise functioned in its original manifestations and how it can be used to understand the formation of the Pentateuch as a whole Joel S Baden reexamines the patriarchal promise in its historical and contemporaneous contexts evaluating the benefits and drawbacks of both final form and literary historical approaches to the promise He pays close attention to the methodologies employed in both documentary and non documentary analyses and aims to bring source critical analysis of the promise to bear on the understanding of the canonical text for contemporary readers The Promise to the Patriarchs addresses the question of how the literary historical perspective can illuminate and even deepen the theological meaning of the Pentateuch particularly of the promise at the heart of this central biblical corpus *A History of Israel* John Bright, 2000-01-01 A definitive text and resource for every student of the Old Testament this fourth edition of John Bright s now classic work is newly introduced by William P Brown **The Bible Unearthed** Israel Finkelstein, Neil Asher Silberman, 2002-03-06 In this groundbreaking work that sets apart fact and legend authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors In this iconoclastic and provocative work leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors They argue that crucial evidence or a telling lack of evidence at digs in Israel Egypt Jordan and Lebanon suggests that many of the most famous stories in the Bible the wanderings of the patriarchs the Exodus from Egypt Joshua s conquest of Canaan and David and Solomon s vast empire reflect the world of the later authors rather than actual historical facts Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel The Bible Unearthed offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today **The Patriarchs, Kings and Prophets of Israel: Expository Notes** George Campbell Morgan, 2014-08-27 Norman L Harrell wants to share the rich insights of Morgan as seen in this book which has not been in print for over a century Morgans expository notes are an excellent resource for preachers teachers and all others who want to deepen their knowledge of the patriarchs kings and prophets of Israel [The Religion of the Patriarchs](#) Augustine Pagolu, 1998-11-01 Patriarchal religion was distinct from both ancient Near Eastern and Israelite religions and compatible only with the patriarchal lifestyle portrayed in Genesis Since Wellhausen the study of

patriarchal religion has been chiefly confined either to the divine names or to the social and legal practices attested in Genesis and has neglected the patriarchal cultic practices altars pillars tithes vows and purifications frequently attested there In this study Pagolu investigates such aspects in the light of second millennium ancient Near Eastern and Israelite parallels concluding that the patriarchal practices bore no comparison to those of the ancient Near East or of Israel in that the patriarchs themselves offered sacrifices conducted prayer raised pillars and offered worship all without the aid of an established cult Thus patriarchal religion was distinct both from ancient Near Eastern religions and from the religion of Israel itself It is peculiar to the world of Genesis
