Arthur Eyffinger

The Peace Palace Residence For Justice Domicile Of Learning:

The Peace Palace Arthur Eyffinger,1992 *Japan in the World* Klaus Schlichtmann,2009-06-16 The twentieth century is as remarkable for its world wars as it is for its efforts to outlaw war in international and constitutional law and politics Japan in the World examines some of these efforts through the life and work of Shidehara Kijuro who was active as diplomat and statesman between 1896 until his death in 1951 Shidehara is seen as a guiding thread running through the first five decades of the twentieth century Through the 1920s until the beginning of the 1930s his foreign policy shaped Japan's place within the community of nations The positive role Japan played in international relations and the high esteem in which it was held at that time goes largely to his credit As Prime Minister and man of the hour after the Second World War he had a hand in shaping the new beginning for post war Japan instituting policies that would start his country on a path to peace and prosperity Accessing previously unpublished archival materials Schlichtmann examines the work of this pacifist statesman situating Shidehara within the context of twentieth century statecraft and international politics While it was an age of devastating total wars that took a vast toll of civilian lives the politics and diplomatic history between 1899 and 1949 also saw the light of new developments in international and constitutional law to curtail state sovereignty and reach a peaceful order of international affairs Japan in the World is an essential resource for understanding that nation's contributions to these world changing developments Research Handbook on International Law and Cities Aust, Helmut P.,Nijman, Janne E.,Marcenko, Miha,2021-08-27 This groundbreaking Research Handbook provides a comprehensive analysis and assessment of the impact of international law on cities It sheds light on the growing global role of cities and makes the case for a renewed understanding of international law in the light of the urban turn **The Law and Practice of the International Court, 1920-1996** Shabtai Rosenne,2024-09-02 La Cour internationale de Justice 1946-1996 Arthur Eyffinger,Arthur Witteveen,2023-09-14 La Cour internationale de Justice l'un des cinq organes principaux de l'Organisation des Nations Unies et son organe judiciaire principal est installée La Haye loin du Siège de l'ONU dans la sèrénité du Palais de la Paix fondé par Andrew Carnegie l'idéal de la paix mondiale Cet ouvrage très bien documenté paraît à l'occasion du jubilé des cinquante ans de la Cour L'ouvrage comporte douze chapitres et est précédé par le Président de la Cour Avec une riche iconographie il illustre l'idéal du règlement pacifique des différends travers les siècles qui devait trouver sa consécration lors des conférences de la paix de La Haye Il évoque la création de la Cour remontant à l'époque de sa devancière dans l'entre-deux guerres Il traite du droit et de la procédure de la Cour internationale de Justice et décrit la composition de la Cour dans sa diversité juridique et culturelle Des statistiques la biographie de tous les juges et une bibliographie complètent cet hommage remarquable un idéal universel et séculaire *The International Court of Justice* Muller,David Raic,J.M. Thuránszky,2023-07-24 This is the third volume in the series by the Leiden Journal of International Law dealing with the Decade of International Law and International Dispute Settlement In this book the 50th anniversary of the International Court of Justice is commemorated Its past and future role is

examined from various angles which have been defined as roles played by the Court First and foremost its role as a mechanism for the settlement of disputes is examined The analysis goes beyond the traditional frontiers of disputes between states and also explores the possibilities of granting international organizations and individuals access to the Court The second role that is looked into is its supervisory role or in other words its possible role as supreme court in international law Thirdly the Court in its advisory function is examined The last role that is focused upon is the Court in its role as developer of rules of international law The book ends with a conclusion from both a legal and a political perspective

Assembly by Design Olga Touloumi, 2024-09-10 How the United Nations headquarters became the architectural instrument and broadcast medium of global diplomacy For almost seven years after World War II a small group of architects took on an exciting task to imagine the spaces of global governance for a new political organization called the United Nations UN To create the iconic headquarters of the UN in New York City these architects experimented with room layouts media technologies and design in tribunal courtrooms assembly halls and council chambers The result was the creation of a new type of public space the global interior *Assembly by Design* shows how this space leveraged media to help the UN communicate with the world With its media infrastructure symbols acoustic design and architecture the global interior defined political assembly both inside and outside the UN headquarters serving as the architectural medium to organize multilateral encounters of international publics around the globe Demonstrating how aesthetics have long held sway over political work Olga Touloumi posits that the building framed diplomacy on the ground amid a changing political landscape that brought the United States to the forefront of international politics destabilizing old and establishing new geopolitical alliances Uncovering previously closed institutional and family archives *Assembly by Design* offers new information about the political and aesthetic decisions that turned the UN headquarters into a communications organism It looks back at a moment of hope when politicians architects and diplomats believing that assembly was a matter of design worked together to deliver platforms for global democracy and governance

Introducing Peace Museums Joyce Apsel, 2015-12-14 Nominated for the 2017 Dayton Literary Peace Prize in non fiction This volume examines peace museums a small and important but often overlooked series of museums whose numbers have multiplied world wide in recent decades They relate stories and display artifacts banners diaries and posters for example about such themes as art and peace antiwar histories protest peacekeeping and social justice and promote cultures of peace This book introduces their different approaches from Japan which has the largest number of sites to Bradford UK and Guernica Spain Some peace museums and centers emphasize popular peace symbols and figures others provide alternative narratives about conscientious objection or civil disobedience and still others are sites of persuasion challenging the status quo about issues of war peace disarmament and related issues *Introducing Peace Museums* distinguishes between different types of museums that are linked to peace in name theme or purpose and discusses the debates which surround peace museums versus museums for peace This book is the first of its kind to critically evaluate the

exhibits and activities of this group of museums and to consider the need for a critical peace museum studies which analyses their varied emphasis and content The work of an experienced specialist this welcome introduction to peace museums considers the challenges and opportunities faced by these institutions now and in the future *An Age of Neutrals* Maartje Abbenhuis, Maartje M. Abbenhuis, 2014-06-12 outside the continent Book Jacket *The World Court* Shabtai Rosenne, Terry D. Gill, 2024-12-09
